## Sr. Little League State Tournament At Harmon Field

Dick Alexander, District Administrator for Little League Baseball, has announced that Harmon field and the Polk County Little League have been selected to host the 1981 Senior Little League Baseball State Tournament. The tournament which will begin on July 27 and end on August 1, 1981 will involve one representative from each of the seven Little League Districts in North Carolina. The tournament will be a double elimination type and there will be either twelve or thirteen games played during the week.

Because there will be significant expense in putting the tournament on, it will be necessary to charge a \$1.00 per game admission. Those who wish to purchase a season ticket for \$12.00 will be able to do so in advance of the start of the tournament. The Polk County Little League will also appreciate any donations which members of the community might care to give in this regard. Donations may be sent to the PCLL President who is G. M. Tennant or to Herman Scruggs who is the Vice-President for Senior League Baseball in Polk County.

The awarding of this tournament to Polk County is the culmination of a long effort on the part of the Polk County Little League officials to secure a state level tournament for our area.

## St. Luke's Hospital Picks New Chief

Henry A. Swicegood, from Dunwoody, Georgia, will be the new Administrator of St. Luke's Hospital, by unanimous vote of the Governing Board Saturday afternoon, following a cake and punch get-together in the hospital cafeteria.

Trustees, Medical Staff members, hospital staff members and their spouses all came to meet Mr. and Mrs. Swicegood, and to give them a chance to "look us over." Mr. Swicegood had been here in May, for interviews with the Executive Committee of the Board of Trustees, and members of the Medical Staff, at which time had toured the hospital, met the Department Heads and numerous employees.

The 51-year-old new Chief Executive Officer is a native Tarheel born to farming parents, and is a graduate of N. C. rural public schools. He pursued his college and graduate education with the help of the G. I. Bill.

He served a two-year stint in the U. S. Army Medical Corps. Following this, he took a B.S. in Business Administration at UNC-Chapel Hill, then did an internship in administration at Rex Hospital in Raleigh. His graduate work at Northwestern University earned him a Master of Science in Hospital Administration.

## Mr. and Miss Tryonite

Students' educational careers are filled with choices. Some students choose to face their high school years passively; others choose to become active in these important years. Each year the Tryon High School faculty selects two students who have shown such active involvement. These students, distinguished with the titles of Mr and Miss Tryonite, have exhibited outstanding participation in the activities of their school. This year's Mr and Miss Tryonite are Lee Corbett and Eileen Teal. Both have been athletically active, playing tennis and supporting other THS teams. Both were named to the Society of Distinguished American High School students. Eileen, an AFS scholar, served as 1981 Keywanette president and Beta Club treasurer Lee, a Morehead nominee and Governor's School appointee, was active in the Key Club and served as the editor of the 1981 Tryonite. Because they chose to be active, Lee and Eileen deserve the honor of the titles of Mr. and Miss Tryonite. — 1981 Tryonite
