Mr. and Mrs. Tom Beaver of Warrior Drive, Tryon, have returned from Cape Coral, Florida, where they visited their sons, Tom R. Beaver and Don Beaver and families. Saturday they enjoyed the excitement surrounding the Sutphen Offshore Powerboat races. Of four classes racing and only two women competitors, the top class was won by Betty Cook, driver for the Michelob Lite team. Betty is a fifty-eight year old grandmother, five feet four inches tall and weighing one hundred twenty four pounds, driving a forty-nine foot, fifteen hundred horsepower boat. The Beaver men were reminded of this frequently the rest of the weekend.

**THE SNAPPER REPUTATION:
WORTH MORE BECAUSE THEY
DO MORE ... DEPENDABLY!**

The SNAPPER line of quality products includes walk mowers, riding mowers, walking tiller/tractors, garden tractors and snow throwers. Each is designed and built to deliver superior performance and to perform a variety of functions.

SNAPPER walk mowers, with options, can mow, blow,

bag, vacuum, mulch and shred. Self-propelled models can also de-thatch. SNAPPER Hi-Vac™ riding mowers can vacuum cuttings, leaves and litter, even during high moisture conditions. SNAPPER tillers convert to walking tractors. And, SNAPPER garden tractors were designed by agricultural engineers for lawn care, gardening and general homestead chores.

Before you buy, consider a SNAPPER. They are worth more because they do more and their price is competitive with other quality products.
