## Fire Damages Lohse Home

The Karl Lohse home on Glen Walden Circle, Tryon was heavily damaged by smoke and fire early Thursday morning. The Tryon Fire Department received the call at 1:48 and the firemen were going in the front door at 1:52.

The fire was believed to have started on the second floor by an air conditioner and then came out the roof on the 3rd floor. The electrical fire created lots of smoke and the firemen had to use masks. Chief Clarence Scoggins said some of the firemen were on the second floor fighting the fire overhead and some were on the roof fighting the fire below them.

Chief Scoggins said that 15 firemen responded to the call and he was proud of the way they performed. The firemen helped clean up the home to prevent water damage and checked back in at the fire station at 4:30 a.m.
