

NOT FOR SALE:

BUT FOR STEALING: Your possessions — silver, antiques, paintings, jewelry — are precious to you. With today's rampant crime, they are also precious to thieves! For effective insurance coverage, you need one set of photos of things you hold dear; your insurance agent should have a duplicate set. With these photos, you provide a written room-by-room inventory, also in duplicate, with appraised values. These pictures are an investment in the security of what you own, for you and your heirs; without them you might not prove ownership of lost or stolen articles, then your loss is not recoverable. For free estimate of essential photographic evidence of ownership of your possessions, call **GEORGE HARTWELL PHOTOGRAPHY** 859-6306. Inventory book provided free. adv. 5, 12, 19, 26c.
