

NOT FOR SALE:

BUT FOR STEALING: Your possessions — silver, antiques, paintings, jewelry — are precious to you. With today's rampant crime, they are also precious to thieves! For effective insurance coverage, you need one set of photos of things you hold dear; your insurance agent should have a duplicate set. With these photos, you provide a written room-by-room inventory, also in duplicate, with appraised values, these pictures are an investment in the security of what you own, for you and your heirs; without them you might not prove ownership of lost or stolen articles, then your loss is not recoverable. For free estimate of essential photographic evidence of ownership of your possessions, call **GEORGE HARTWELL PHOTOGRAPHY**, 859-6306. Inventory book provided free. adv. mon., thurs., thru sept. 28, c.

**Slimnastics Class
Starts Sept. 15**

The Congregational Church of Tryon will again present exercise classes under the direction of Dorothy Quest. They will start Tuesday morning, Sept. 15, at 10 o'clock and continue every Tuesday and Thursday until Christmas.

Those interested in joining can register on Sept. 15 and wear suitable clothing for exercise, either leotards, shorts or slacks, and bring a pad for floor work. The class is for all ages. There is a fee of \$10 for the purchase of dance records and repairs. Mrs. Quest suggests that members come one-half hour early the first day in order to register for the 27 classes.

This will be the 12th year for some of the members. All who need some form of regular exercise to keep fit will enjoy "Slimnastics," according to those who have taken the course.

The program includes many aerobic exercise as well as simple dance routines. For information call Mrs. Quest, 859-6954.
