Communication

Dear Seth:

Another year has come around mightily quickly it seems to me — seems like I'm sending you an annual renewal about every six months!

I like the way the letters tend to clarify the news, and of course I enjoy 40 Years Ago now as much as I always enjoyed 20 Years Ago columns!

So many of the people who mean Tryon for me have passed away.

Our Thomas who graduated from high school this spring has gone to his native Texas to seek his fortune!
