Weather Monday: high 57, low 39, hum. 33%. Tuesday was another beautiful spring-like day.

President Reagan told state and county officials Monday that he's ready to negotiate all aspects of his "new federalism" program and that he has no intention of burdening them with responsibilities they cannot afford.

Surgeon General C. Everett Kopp said Monday that cigarette smoking causes 30 percent of all cancer deaths in the United States and even non-smokers should treat it as "a public health potential hazard." Cigarette smoking is a "major cause" of cancer of the lung, larynx and esophagus and "a contributory factor" in bladder, kidney and pancreatic cancer. The report cited two studies which concluded that non-smoking wives of smoking husbands suffer an increased risk of lung cancer.

## "Feats" On Thurs.

"Feats" is a funny, fabulous, frantic look at people who have made a big imprint on the world with their enormous "Feats." This musical comedy highlights the great steps man has taken in the past, and points out goals we can accomplish by putting our best foot forward.

"Feats" is brought to you by SET, the acclaimed Sheffield Ensemble Theatre. SET, created in 1972 by Rita and Buddy Sheffield, was the 1978 recipient of the Sara Spencer Award for child Drama. They have performed at Wolftrap, the Kennedy Center in Washington, and the National Showcase of the Performing Arts for Young People.

Presented jointly by the Landrum Friends of the Arts and O. P. Earle School, "Feats" will be performed Thursday, Feb. 25, at 7:30 p.m. in the O. P. Earle Gymnasium.

## \$2,221.25 Collected

### On Mothers March

The 1982 March of Dimes Mothers March sponsored by the Thermal Belt BPW was held on January 31st. Residents in Landrum, Tryon, Columbus and Mill Spring contributed \$2,221.25 in spite of the torrential rains.

A spokesman for the Thermal Belt BPW said that through the generosity of the American people, the March of Dimes has been able to support Medical services, research and health education programs in the prevention of birth defects.
