## Sunday Reception For Craft Exhibit

Tryon Craft's 13th Annual Exhibit will be opened by a reception with refreshments in the Mural Room of the Tryon Fine Arts Center between 3 and 5 p.m. next Sunday, the 28th. The exhibits will continue on display in the adjoining Gallery from 10 to 12 and 2 to 4 Monday to Saturday, through April 29th.

Tryon Crafts, Inc. was founded in 1960 "to promote an appreciation of handicraft and its place in the social cultural and economic life of the community." It now offers courses in a wide range of courses taught by talented instructors. In the past year, with the opening of the Farwell Annex to the Center, it has installed specialized equipment for new courses in ceramics and lapidary.

On exhibit will be works of students and instructors in the major handicraft field of fabrics, including spinning, weaving, knitting, crewel and needlework and rug hooking. There will also be exhibits of work in silver jewelry, enamelling — on copper and silver, woodcarving, basketry and from the new classes in pottery and lapidary. Some of the exhibits will be available for purchase.

On Tryon Day, April 10, Tryon Crafts will hold a Crafts Fair concurrently with the Exhibit, where a wide variety of articles contributed by the students and supporters will be on sale. The proceeds will be added to the support of the Tryon Crafts program for the coming year.
