OPEC cutbacks on the production of oil production has led to the end of the gasoline price slide. After a year-long slide, gasoline prices are creeping up in many part of the nation. Several major oil companies have increased wholesale gasoline prices 1 to 3 cents a gallon.

The Spartanburg County Board of Education upheld on Wednesday a decision made by the School District 1 Board of Trustees concerning the naming of a valedictorian at Landrum High School. District 1 trustees had adopted a policy at their Apr. 6th Board meeting to the effect that two valedictorians would be recognized at this year's graduation ceremonies at Landrum High School: one would be the student in the fourth year of high school who had attained the highest academic average on all Carnegie Unit grades earned by the end of the first semester of the 1981-82 school year; the other would be the student who had chosen early graduation and had attained the highest academic
