## Infant Burned

Teresa Hall, who was born January 18th, to Sherry and Michael Hall, was burned by hot water Tuesday afternoon at their mobile home on Chesnee Highway, Green Creek. She received second degree burns on the right arm, right side and foot. According to Sheriff Boyce Carswell she also had bruises on one eye, both of her cheeks and both of her buttocks.

A call came in for an ambulance Tuesday afternoon and after the first responders had arrived they requested that an officer also come to the scene. The ambulance took the infant to Spartanburg Regional Medical Center where she was placed in intensive care. Sheriff Carswell stated that the mother, Sherry Hall, said the bath water was to hot.

Sheriff Carswell said that no charges had been filed but the SBI and Social Services as well as the Sheriff's Department was continuing the investigation.

## Polk Unemployment Rate Stands At 2.3

Polk County registered only 2.3 percent unemployment during the last month of the 1980's.

Analysts with the Employment Security Commission regard five percent as a near full-employment situation.

Still, Polk's unemployment is slightly higher than it was last year at this time. December, 1988 showed Polk County with only 2.0 percent unemployment.

## FISH Needs Help

After eight years of faithful service as a telephone volunteer with FISH, Don Creegan has retired. We appreciate his service and we are now looking for a good man or woman to replace Don. The job involves three hours per month at the FISH office, 500 Carolina Drive, answering the telephone and responding to appeals for help from 9 a.m. to noon. The work fulfills a verious serious need in this community and is often very interesting. You may have to make tough decisions but your fellow volunteers are always there to consult.
