**CEDAR HILL
PLANTATION**

A SPLENDID ESTATE in the tradition of the Old South. It is just waiting for a barn and some fencing to make it an especially fabulous horse farm. Of the 503 acres, 110 are expansive flat meadows and the remainder are natural woodlands. Over a mile of the Green River runs through the property. A 7 acre spring-fed lake is kept stocked and is encircled by a jogging trail. The house is built as a classic low-country hunting lodge with verandas overlooking vast landscaped lawns and the Green River. One enters a large foyer which opens to the living room. There is a library perfect for entertaining, a formal dining room, a large, bright kitchen, 4 bedrooms and 3 baths. The house features heart pine flooring and 8 fireplaces. Additionally there are servant's quarters, a caretaker's house, a workshop and a tractor shed. The estate also includes 2 lighted, all-weather tennis courts, a dog kennel, and a green house. \$1,000,000.00.
