WHY **AL PLEMMONS** SHOULD BE OUR STATE SENATOR

A FAMILY MAN.

Al has been married to Betty Jean Arrington of Haywood County for 34 years. Members of the First Baptist Church, they have two children and one new grandson.

A MOUNTAIN MAN.

Son of a farmer, born in 1933 in Madison County Al can relate to mountain people and mountain problems.

A BUSINESS LEADER

Al was one of two men promoted to regional Vice President of Lowe's Co. in 1970. He became accountable to the board for store operations in a five-state area. Al retired after 21 years of service and moved to Transylvania County in 1976. Al believes government must be run in an efficient manner like business.

A POLITICAL LEADER.

Al was chairman of the Transylvania County Democratic Party until he became a candidate for the North Carolina Senate.

PUBLIC EDUCATION

Al says we must be competitive with business and industry to attract the best and brightest teachers and then keep them. Our children are our future.

CRIMINALS MUST PAY

Our society and innocent victims deserve protection and justice.

ECONOMIC DEVELOPMENT

Al knows that too often our greatest exports from the mountains are our best young people. Al says we need good paying, stable jobs for our citizens.

AREA, STATE LEADER.

Al has given of his time freely for a better Western North Carolina. He cares and works to help people.

- Director WNC Development Association
- Secretary Brevard/Transylvania County Economic Development Commission
- Chairman of the 16 Counties Area 1 Soil & Water Districts. 1989
- Chairman Water Resources Committee N.C. Association of Conservation Districts 1989, 1990.

A CATTLE FARMER.

OUR ENVIRONMENT

Al believes we are stewards of our environment and that we must pass our God-given blessings of clean air, water and other great natural resources to future generations.

NEW GAS TAX

We are now paying our new tax for highway improvements. Al will fight for our fair share of the funds as we have thousands of miles of unpaved roads here in the mountains and many roads and bridges that are unsafe for school buses.

A Mountain Man for Mountain people.
