Cooling Efficiencies Ahead of Its Time

The HS20 Air Conditioner

With new DOE minimum energy standards taking effect in January, 1992, you certainly don't want to buy a new air conditioner to find out it will be obsolete in just a few summers. Get the one with the advanced technology today to meet or exceed those standards — the Lennox HS20 air conditioner.

- Cooling SEERs up to 11.15 — a real energy saver
- Quiet performance
- Simple to install
- Easy to maintain

Lennox . . . preparing you for the future today!
