Discovery House Festival May 12

Discovery House will have its Spring Festival on Saturday, May 12, at 2 p.m. This event is especially designed for area young people who would like to pursue their interests in the performing arts. Parents and older citizens are also welcome to attend.

Discovery House is located at 115 Walnut Street, in Tryon. The Spring Festival will begin with a tour of the facility and proceed to the parking lot, where refreshments will be served and "door" prizes awarded. In case of rain, visitors will be directed to the fellowship hall of a nearby church.

Among special guests will be cast members from the recent production of "The Wizard of Oz," co-sponsored by Discovery House and Mill Spring Accelerated School. Festival visitors will meet Dorothy and Toto, the Scarecrow, Tin Woodman, Cowardly Lion, and other personalities, including the Wizard.

Leading off the entertainment will be the Emerald City Dancers, followed by several show-stoppers numbers directed by choreographer Cynthia Andreson.

There is no charge for the Festival, which is hosted by the Discovery House Board of Directors by way of thanking the public for a successful year.

Discovery House is a non-profit, equal opportunity organization which does not discriminate on the basis of race, color, age, sex or religious preference.
