

## AARP Meeting

A special effort is being made to contact past as well as present members of the Polk County Chapter No. 2182 AARP.

The regular monthly meeting will be held on Tuesday, May 15th at 2 p.m. at the Congregational Church on Melrose Ave.

Prior to the meeting, however, there will be a covered dish luncheon at 12:30 p.m. at which time they will honor two fine people who will be leaving the area later this summer.

Chet and Dorothy Griffin, long-

time members, both officer holders in the Chapter, very active Church and Community members, are relocating to Pennsylvania to be nearer to their family. They will be sorely missed.

Come join in bidding them well in their new life. Bring a covered dish for the luncheon, stay for the meeting. The guest speaker will be Polk County Historian, Homer Jones. A short business meeting will be held to bring everyone up to date on the Chapter's activities, so it should be a most enjoyable afternoon getting together with past members and the current ones as well. We look forward to seeing you on the 15th.

For any further information call the Chapter President, Bill Lippincott at 859-6526. — Reporter

## HONDA Power Equipment

- Honda Lawn Tractors are built with Honda parts for long-term dependability.
- Maintenance-free shaft drive transfers power efficiently to rear wheels.
- Standard features include electric start, twin headlights, and Roto-Stop, which stops the blade without shutting down the engine.
- Mechanical Autoclutch Transmission (MAT) lets you shift gears smoothly and easily.
- 10 and 13 horsepower models — plus accessories and service — are available at your local Honda Power Equipment dealer.
