TPS Members Art Exhibit

The Tryon Painters and Sculptors Members show will open Sunday, May 27 with a reception from 3-5 p.m. Each member of TPS is encouraged to enter 2-3 pieces of work which will be displayed until June 28. There is much variety in this show — oils, watercolors, acrylics, collage, pastels, clay sculpture and sometimes even wood sculpture. This exhibit brings close to home the many unique ways each individual perceives his surroundings and puts it on paper, canvas or molds it in clay. It is also your chance as a viewer to act as judge and jury and select what you think is the best painting in the exhibit. The "Pick Your Favorite" box will be there with ballot slips for all.

The reception is TPS's once a year "MEN'S DO" where a committee of men headed by Dick Johnston will be in charge of the refreshments and decorations in the Mural Room. What they do is always a surprise. The exhibit and reception is open to the public and we are pleased to have your visit. Regular hours during the week are 9-12 and 1-4 daily. — Reporter
