## \$3,500 Reward Offered In Trucker's Death

A \$3,500 reward is being offered for information leading to the arrest and conviction of the person responsible for the death of an Indiana truck driver nine months ago.

Philip E. Reed, of Westville, Indiana, was killed on March 21, when someone dropped a dumbbell from an Interstate 26 overpass. The 38-year-old died instantly after the 30-pound weight crashed through his windshield and crushed his chest.

Funding for the \$3,500 reward came from Reed's family and from his trucking company, Sicomac Carriers, Inc. An additional reward of up to \$1,000 is available through CrimeStoppers of Spartanburg and, several weeks after the incident, a local restaurant owner offered a \$500 reward.

Reed was crossing under the Landrum Mill Road overpass on I-26 shortly after midnight when the incident occurred. A truck driver traveling behind Reed saw the truck's lights go out and then saw Reed's truck veer off the road.

Anyone with information about the case is asked to call the Spartanburg County Sheriff's Office at 803-596-2646 or 803-596-2616 or CrimeStoppers at 803-38-CRIME. — Spartanburg Herald
