The weekend weather: Friday, high 55, low 35, hum. 50 percent; Saturday, high 63, low 23, hum. 77 percent; Sunday, high 65, low 41, and hum. 78 percent. By 7 a.m. Monday, .07 inches of rain had fallen - as an unending blanket of mist, milimeter by milimeter.

November was drier than usual, with only 2.52 inches of rain total. The average is more like 4.15 inches. But the total precipitation for the year, at 68.1 inches, is still 8.78 inches over the average to date.

Spartanburg County last week completed plans that redefined the boundaries of the county's fire districts, ending a process that began almost a decade ago.

Before the revisions, nearly a third of the county's 830 square miles were located outside a fire district. County planners hope, now that every part of Spartanburg County is covered by one of 45 fire districts, taxpayers in each district will support the volunteer department that serves them.

The planners also hope to alleviate some of the confusion which emergency dispatchers have faced without clear fire district boundary lines.

The Tryon Kiwanis Club Pancake Supper will be held tomorrow night at Tryon

Mary Moore Elected To 2nd Wind Hall of Fame

Mary F. Moore, President of the Tryon Fine Arts Center, has been elected to the Second Wind Hall of Fame. Shown presenting her with her framed certificate of membership in a surprise ceremony incorporated into the Nov. 27 meeting of the TFAC Board is Eric G. Larson, TFAC Treas. and SWHF member.

Mrs. Moore was nominated by the TFAC Board for Second Wind Hall of Fame membership. She had served on the Board of TFAC twice, first in the 1970's, and currently since 1986. She was special events chairman for 2 years, prior to her election as president in 1990. During her administration, many improvements in the TFAC have been credited to her leadership.

She has also served as a member of the board of directors of the Polk County Visiting Nurse Assn. and the Tryon Concert Assn., for whom she served as membership chairman for 20

years.

A member of the Holy Cross Episcopal Church, Mrs. Moore has been active in church affairs there. She is also an active member of Red Fox Country Club, where she is an avid tennis player.

A Polk County native, Mrs. Moore, then Mary H. Flynn, attended elementary school in Columbus, and graduated from Tryon High School before attending Furman University, where she majored in business. She was employed for a time by the Tryon Bank & Trust Company (now NCB).

She married Tom Moore in June of 1951 in ceremonies at the Tryon Congregational Church conducted by Dr. Edmund Wylie.

The Moores have 2 children; a daughter, Caroline, graduated from Wake Forest University and earned her MBA from UNCG.
