Child Find Project Underway

An effort is underway in the Polk County area to identify children and youth ages 0 through 21 who are handicapped and need special education and other services.

The local efforts to identify children and youth are part of a concentrated effort statewide to find children who need special help which they are not currently receiving.

Project Child Find is also an endeavor to inform parents and/or guardians of these children of the services available from their local school system and other state and community agencies.

Help is available for children with special needs, according to Lowell Harris, Director of the Department of Public Instruction's Division for Exceptional Children. This help is in the form of a complete evaluation, an education program designed specifically for the child (individualized education program) and a referral to other agencies which provide special services.

Golfers Still Sought For Kiwanis Tourney

The 3rd Annual Kiwanis Golf For Youth tournament is still several teams short of its goal of 30 teams.

Golfers wishing to play in the benefit tournament can still sign up through Monday morning, said Carl Wharton, tournament committee chairman for the Tryon Kiwanis Club.

"This is the only golf tournament in the area where all the proceeds not only go to kids, but all of the proceeds stay home," Wharton said.

Teams, or individuals who are not part of a foursome, can call Carl Wharton at 859-9397 to sign up for the tournament.

Lunch will be served at 11:30 a.m. Monday at Red Fox Country Club. Tee time will be 12:30 p.m.

Play will be 18-hole, Captain's Choice, flighted by total handicap. The cost is \$160 per team.
