The weather Wednesday: high 67, low 43, hum. 38 percent.

Hub Arledge of Arledge Printers was in the *Bulletin* office the other day when we were considering the work schedule we needed to keep in order to produce the "Come See Us..." Guide. And we were already considering a week's delay at that.

"You'll never make that schedule," Hub said with a grin. "Mark my words."

I assured him we would, we had to. But he was right. There was no way. The guide has been more popular than we had anticipated and we're swamped.

In order to hold to our stated goal of handling the guide with extra care, we have decided to set a more realistic schedule. The guide will be out March 17. (For real, Hub.)

What's happening:

There will be a free demonstration of pruning techniques given at The Plant Cellar in Landrum tomorrow at 9 a.m.

The Bridgewater College Chorale will give a concert of sacred music tomorrow at 7:30 p.m. at the Mill Creek Church of the Brethren in Green Creek.

Students, Parents Question Policy Against Hand Holding

Students at Polk Central and Tryon High were issued a series of behavioral guidelines this week initiated by Superintendent of Schools James Causby.

The regulations touched on behavior in three areas: "(1) Use of inappropriate language including vulgarity, cursing, obscene gestures, (2) Improper signs of affection including intimate touching, kissing, holding hands, and (3) Improper dress including revealing clothing, shirts with obscene slogans or alcohol/drug emblems, and caps with curse words or vulgarity."

Consequences for violations range from a warning coupled with parent notification to five days out-of-school suspension with a parent conference, depending on the number and severity of offenses.

Dr. Causby said he issued the new guidelines with input from the School Board because the school board had received numerous complaints from parents about inappropriate behavior among students.

"A lot of things have been going on that shouldn't be going on - kids hanging on each other, wearing inappropriate clothing and bad language." He said he felt strongly that the school is not the place for these activities and that the guidelines will be enforced both during the school day and at school athletic events.
