TRHC To Complete Block House Fence

The Tryon Riding and Hunt Club is planning to complete the perimeter fencing which encloses the David Sandlin Race Course at FENCE. Type of construction will be the same as the present fencing and the new addition will measure about 2130 linear feet.

Builders interested in doing this job are invited to come to the large barn at the entrance to the race course between the hour of 12 noon and 1 p.m. on Monday, March 2. Chuck Ross, Co-Chairman of the Block House Races will be there to explain construction requirements.

Thereafter, informal bids will be accepted at the Tryon Riding & Hunt Club office 859-6109 with a deadline of 12 noon on Friday, March 6.

Bids must include a reasonable guarantee that the job will be completed prior to April 18, the race day for the 46th Running of the Block House Steeplechase.

Shrove Tuesday Pancake Supper

The Church School Children of The Church of Transfiguration in Saluda will sponsor a Pancake Supper on Tues., Mar. 3, at 5:30 p.m. in the Parish House.

A donation of \$2.50 will be accepted at the door.

Emma Catherine Hix

Reads At Library Meeting

Emma Catherine Hix, a third-grade student at Mill Spring Accelerated School, is pictured with a book titled, *A House Is A House For Me*, written and edited by Mrs. Metcalf's second and third grade combination class at the school.

Emma reads from this original work as a special feature on the program sponsored by the Polk County Public Library and Friends of the Library at the library in Columbus Feb. 16th.

A capacity audience, listening with rapt attention, was entranced with her presentation. Emma is the daughter of Judge Tom Hix and Mary Katherine Hix.

Rabies Clinic Sat., April 25

Remember to bring your dog and cat to the Polk County Rabies Clinic which is sponsored by the Health Department and our local veterinary clinics. Watch for clinic location signs. The clinic will be held on Sat., April 25.

Rabies is a deadly disease that dogs and cats can contract through the bite of other rabid animals such as raccoons, fox, squirrels, bats and cats and dogs. Only by inoculation of our domestic animals can we insure that we never have their dreaded disease become a common one to be spread among both wild and domestic animals.
