

Guest Speaker At Adventist Church

John Sipkens of Singapore will be guest speaker during the 11 a.m. worship service at the local Seventh-day Adventist Church Saturday, March 28.

Sipkens is Director of the denomination's Far Eastern Division of ADRA, the Adventist Development and Relief Agency. Through ADRA, work is done to help the poor in developing countries and respond to the needs of disaster victims, including people facing hunger. Aid is given without regard to ethnic, religious or political association.

Sipkens' report will involve only a segment of the territory in which ADRA is active. Recent information from ADRA International tells of plans to distribute 10,780 metric tons of food to people in the Ural Mountain region of Central Russia. Distribution to more than 385,000 people will last four months.

ADRA Germany is seeking financial aid to provide food to the European parts of the for-

mer Soviet Union as well.

In Liberia, ADRA has begun an emergency education program for the refugee children in the Cote d'Ivoire (Ivory Coast). Approximately 15,000 primary school children will benefit from the project.

The Seventh-day Adventist Church is located just off Highway 108 in Lynn. Visitors are always welcome.
