

## Kelly To Speak At Good Shepherd Sun.

Sunday, March 29, Mid-Lent Sunday, is often referred to as Mothering Sunday.

In the Church of England, tradition had it that apprenticed children were given the time off to visit their parents. In turn, their mothers would bake a special cake, made with currants and almond paste, and the family would celebrate.

This year, we celebrate the visit of Beverly Kelly, returning home from Midland, Mich. She is the Christian Educator for Midland Memorial Presbyterian Church.

She will preach at the 9 a.m. service at Good Shepherd on the parable of the prodigal son, Luke 15:11-32. She is the daughter of James and Eula Bryan of Tryon. The traditional cake, called a Simnel Cake, will be served at the Coffee Hour following the service.
