

Popular Singers Perform In Madness

Tonight and Saturday, *Melrose Madness*, directed by Debbie Goode, will feature many favorite local singers.

Barb and Dave Halliday will sing a duet, *A Love Until the End of Time*. Dave and Barb have appeared on the stage in many roles, *The Sounds of Music, Mame*, as soloists for the Rotary Chorus concerts, and in the first TFAC Special Events production, *Beaux Arts*, three years ago. They have been active members of the Congregational Church choir as well.

Other local favorites singing for you this weekend include Patti Peak, Melissa Warren, and Joy Merrick. Their selection should remain a secret until the curtain opens, but each one promises to bring enjoyment.

Tickets are going fast, so get up to the Fine Arts Center before it is too late. Box Office is open from 10 a.m. until 2 p.m. today and tomorrow.
