

The Gift

Dear Friend,
I thought of you today.
I thought of how you live.
I thought of things that you deserve.

I thought of what to give.

You gave me hope for living.
When everything was wrong.
I gave up on myself,
Until you came along.

From somewhere up in Heaven,
God sent to me a friend,
Who gave me back - myself,
Who'll love me 'til the end.

You gave me reassurance.
You taught me how to smile.
You shelter me from pain.
You walk with me each mile.

I'll always be there for you.
You'll always have a home.
We share each other's lives.
We'll never be alone.

A life without you in it,
I wouldn't want to live.
I want to show my gratitude.
I wondered what to give.

There's no one quite like you.
I know you understand.
To be good enough for you,
No gift could be so grand.

Whenever I'm in trouble,
You're never far away.
I'll always be here for you.
I'm just a call away.

And so, I give my love.
A simple, humble heart.
I'll hold you here inside me.
We'll never be apart.
-Brenda Cranford
