

## Going To The Beach

This summer the Polk County 4-H camping delegation will travel to the beach and stay at Mitchell 4-H Camp July 26-July 31.

Mitchell 4-H Camp is located on Queen's Creek near Swansboro, North Carolina. Sailing, swimming, environmental studies, archery, crabbing, canoeing and a ferry trip to Bear Island and the beach are a few of the many activities planned during this week on the coast of North Carolina.

Boys and girls 8-12 years old can attend 4-H Camp. You do not have to be a 4-H club member. Mitchell 4-H Camp is accredited by the American Camping Association. This seal of accreditation recognizes camps that have met certain standards in the area of administration, program, personnel and campsite.

Travel to and from camp will be by chartered bus and van. Total cost is \$160, which includes transportation, lodging, food costs at camp, and insurance. Registration is limited to 18 boys and 17 girls from Polk County. A non-refundable deposit of \$40 is required in order to reserve camping space... first come, first serve. Deadline for registration is May 1. Do not wait until then, for 20 spaces have already been filled.

For more information, please contact the Cooperative Extension Service at 894-8218, Monday-Friday, 8:30 to noon and 1 to 5 p.m.

Employment and program opportunities are offered to all people regardless of race, color, national origin, sex, age, or handicap.
