

Green Creek Gathers To Celebrate Birth Of Organic Farmer

There will be a covered dish supper celebrating Dorothy Zoulek's 90th birthday Saturday at 4 p.m. in the fellowship hall of the Mill Creek Church of the Brethren.

Dorothy and her husband Matthew moved to Green Creek in 1971 and bought 420 acres with the intention of starting an organic gardening community and passing on their broad knowledge of the subject to others.

Over two dozen families have bought tracts of land and agreed to abide by covenants of Green Creek Organic Farms. These protect the land from the use of pesticides, herbicides, and harmful chemicals.

If you would like to help Dorothy celebrate this momentous birthday, call Reen Smith at 863-2898.
