

Communication

To the Friends of Eric Wilson:

We would like to express our appreciation for the many kindnesses shown to us since Eric's death.

We also thank you for the prayers, love and support given to Eric during his hospital stays.

As most of you know, Eric died of Cystic Fibrosis, an inherited lung disease for which there is no cure. On Sun., April 15, the Polk County Jaycees are sponsoring a Walk-a-Thon fund raiser for cystic fibrosis research. Please support this event. If you cannot participate Sunday, but would like to sponsor a walker, the BYW of Mill Spring First Baptist Church are walking in Eric's memory and would appreciate your pledges.

You can contact a member of this group by calling 894-2191. With our monetary support we can help researchers find the cure for which Eric prayed.

Thank you again,

Larry and Shelba Jean Wilson
