Buys Home

Ms. Inga Jay has purchased a home from Mr. and Mrs. Robert Dittberner at 7 E. Mountain Shadows. The Dittberners are among the first residents at Tryon Estates.

Inga sold her condominium in Hunting Country Trails last fall and has been living in Las Vegas most of the winter. She is glad to be re-establishing her home base in this area. This will give her the space she needs for making her custom bead jewelry and exercising her flair for interior decorating.

The sale of this home was handled by Connie Glassman, selling agent and Norma Gaut listing agent, both of Coldwell Banker Town and Country Realtors.
