Jaynes' Fingerprints Found In Acker Car

Testimony continued Tuesday in the first degree murder trial of James Edward Jaynes in Polk County Superior Court.

SBI Agent Mika Elliott testified that when he arrived at the crime scene, a phone line had been cut at the mobile home of Paul Acker, the back door had been pried open, and Acker's body was inside and burned beyond recognition.

Elliott also testified that vehicles and other items belonging to Mr. Acker were found at three wooded locations in Rutherford County.

SBI fingerprint expert Brian Delmas testified that identifiable fingerprints from Jaynes were found in several places in Acker's Volvo.

Just before the lunchtime break at presstime Tuesday, Rutherford County Detective R.H. Epley testified that he and SBI Agent Bruce Jarvis surprised Jaynes and Stanley Shane Smith as they backed up a truck to the Volvo at 8:30 p.m. Oct. 13, three days after the killing.

They arrested them then at the remote wooded location.

Smith took the stand Monday to testify against his former elementary school classmate, according to reports in the *Hendersonville Times-News*.

Smith said he and Jaynes had plotted for weeks to rob Paul Acker, but were never supposed

Students Going To Spain

This spring Michael Chaffin, Mitch Davis, Holly Crain, Stacie Walker, Stewart Newlin and Evetta Cook will find the sunny shores of Spain. Spanish instructor Raquel Barreto will depart Charlotte on Apr. 15 (today) with this group of students enroute to a 10-day tour of the country of Spain. The students, all of whom are currently enrolled in one of Ms. Barreto's Spanish classes, will visit Barcelona, Zaragoza, Madrid, Seville, Cordoba Ronda, Mijas and Costa del Sol. Optional excursions include Segovia, Toledo and Granada.

The trip is being arranged with CHA (Cultural Heritage Alliance), a tour company of Philadelphia, PA. The group will join four other high school groups out of NY, Boston, and Detroit. Ms. Barreto feels the trip will give students a chance to experience another culture and realize there are other people that actually live differently than Americans. As well, she looks forward to them having a chance to put into practice what they've learned in the classroom, and hopefully expand their Spanish vocabulary. "Buen Viaje!" - *Community Reporter*
