Sound Effects Are Important!

Ross Bloomgren is pictured in the sound booth at Tryon Fine Arts Center, preparing for a rehearsal of *The Diary of Anne Frank*.

This will be the 14th TLT production that Ross has had charge of sound effects. In every presentation, sound has played an important part. In some instances, however, sound effects have been minimal. In *The Diary of Anne Frank*, Ross says he is being kept busy throughout. "This may seem strange," he continues, "because all the action takes place in an attic where eight people are hiding from the Nazis who are occupying the city. All the sound effects come from outside."

Need Summer Volunteers

Foothills Humane Society is once again asking for summer volunteers to help at the animal shelter. Last summer, over 15 dedicated teenagers from our area helped manager, Vickie Sommer, and other adult volunteers run the shelter. Many of the regular weekly shelter volunteers are away on vacation, so the help of these additional summer recruits is vital to the smooth functioning of the shelter.

In the spring and summer months, Vickie says that the additional increase in the arrival of dogs, cats, and litters of puppies and kittens creates many different jobs to be handled by the assisting volunteers. For all volunteers the rewards of helping and working with the animals are great!

Anyone interested in working at the shelter this summer should call Vickie Sommer at 863-4444. Shelter hours are: Closed Monday. Open Tue.-Sat. 10-12 and 1:30-3:00 and Sunday 2-4.
