Saying Thanks: It is National Emergency Services Week here in the USA. And we in Polk County can use it as an opportunity to say thanks. Thanks to EMS crew members for caring for our neighbors and friends. Thanks for being at the ready should we gasp for breath, or clutch our chest and go pale, or pull a child from the bottom of a pool.

Thank you.

If I Could Save Time In A Bottle: The Girl Scouts are burying a time capsule today at 5 p.m. at Stearns Park.

Anyone who wishes to contribute items for the time capsule can drop them off at the Tryon-Thermal Belt Chamber of Commerce offices in Tryon.

Older Americans Month Proclaimed

A Proclamation from North Carolina Gov. James, Martin has designated the month of May, 1992 as Older American's Month.

The theme is North Carolina's greatest resource - Over one million adults 60 years or older.

Many events are scheduled for this month in Senior Centers, Nursing Homes, etc.

At the Meeting Place, our senior Center on Carolina Drive in Tryon, an Open House is ongoing with tours of the facility. Flower displays from home gardens and wildflowers are a star feature. A Spring Mexican Fiesta is planned for the end of the month with Mexican food being served and decorations carrying out the theme.

The fund drive for the Meeting Place and Commission on Aging is now in place with letters mailed to donors. We urge everyone to make a contribution no matter the amount. Every contribution is appreciated and well-used to supplement the programs for our Older Americans in Polk County.

It's comforting to know all the funds donated stay in Polk County to be used for Polk County residents. For answers to any questions about the Senior Center or it's programs, call Margaret Greene at the Meeting Place, 859-9707.
