#### THE WORD SELAH.

Every one who has read the Bible, has has just learned that it has been the victim frequently come across this seemingly un- of an audacious fraud. The young heir to meaning word standing at the end of a verse, the property having many years ago, been apparently disconnected from everything put out to nurse, it so happened, one day. which has preceded it. The following in- that he fell from a chest of drawers and broke formation in regard to its meaning from the his arm. Soon after, the mother arrived to Bibliotheca Sacra, will be very acceptable visit her infant. The nurse, afraid of revealand of much importance to many of our read- ing the truth, presented her own child in-

" The translators of the Bible have left the ceeded, and the idea then struck her that she Hebrew Selah, which often occurs in the had better allow it to continue. The young Psalms, as they found it, and the English peasant, accordingly, received the education reader often asks his minister or learned of a noble, and the nobleman was brought

A SNAKE STORY .- The following anecdote is a fact. It was told by a gentleman who DEFRAUDED UNCLE SAM .- In accordance witnessed it :

" An Indian came to a certain 'agency' with the recent instructions from Washingin the northern part of Iowa, to procure some ton, the postmasters throughout the country whiskey for a young warrior, who had, as he are looking up the frauds which are every day said, been bitten by a rattle snake. At first committed to avoid lawful postage. The extent of these frands will be best understood the 'agent' did not credit his story, but the earnestness of the Indian, and the urgency by our enumerating the contents of 28 papers of the case, overcame his scruples, and turnopened by Col. Rogers, postmaster of Charlesing to get the liquor, he asked the Indian give satisfaction and his charges will be modehow much he wanted ?

skeins silk each, 3 contained letters, 2 had " 'Four quart,' answered Indian. " 'Four quarts ?" asked the 'agent,' in surprize ; ' much as that ?'

"'Yes,' replied the Indian, speaking through his set teeth, and frowning as savworked collar, 1 a china baby. The amount of postage paid for these 28 papers was but 28 cents, while the amount which should agely as though about to wage a war of extermination on the whole suake tribe, ' four quart-snake very big."

SELECTING FLOUR .- The following directions for the selection of flour have been giv-Gazette relates the following mysterious stoen by those long accustomed to dealing in ry: One of the noblest families of Verona this article. They are useful hints though it requires some experience to select the best flour by the eye alone. We very seldom order home a barrel of flour until we have ter prepared to fill all orders in his line, being taken a baking from it and TRIED it, unless well supplied with the best materials and has in it be warranted by a reliable dealer of known judgment.
