

Hello Fred! Have you been around to trade any at **MARLOWE'S STORE** yet? No, Bill I haven't, but I told my wife what you said and she had been thinking of the same thing. I think Sarah Gibbs had been over there talking to her. Sarah said she was doing all her trading at **MARLOWE'S STORE**, and getting her Groceries a lot cheaper. You know Bill that's got my wife to thinking, for she loves to save a dollar.

**Has This Occurred to You?**  
 It is not necessarily the age of the person, but the condition of the eyes, which determine whether glasses are needed or not. Weak eyes should be assisted — made strong. Glasses—the right kind — serve as a preventive and a cure. If in the slightest doubt as to the real condition of your eyes we suggest that you come here for an examination.
