J. B. Rogers & Co.

Mrs. House-wife your problems are our problems. Let us help you get your three meals a day its easy for us, hence we'll make it easy for you.

PROMPT DELIVERY

Has This Occurred to You?

It is not necessarily the age of the person, but the condition of the eyes, which determine whether glasses are needed or not. Weak eyes should be assisted — made strong. Glasses—the right kind — serve as a preventive and a cure. If in the slightest doubt as to the real condition of your eyes we suggest that you come here for an examination.
