ANNUAL STATEMENT OF BOARD OF EDUCATION

Salary Fund, July 1st, 1923, to June 30th, 1924

This statement has been delayed, due to change in County Treasurer. As many vouchers issued on former Treasurer W. H. Hickman during ing duly qualified as such executor, December were not paid until late in the spring and then by a new depository, The Bank of Columbus, we made no effort to draw a line be-Charles C. Powell, deceased to ex- tween what was handled the first six months and what was handled the last six months. The law provides for this statement to be made either semi-annually, as in the past, or annually as we are now doing. If there are any items that are not fully specified to the satisfaction of any taxpayer, or citizen of Columbus county, the records of this office are open and above board and we will welcome and assist you in finding any over-charge or irregularity by which we may correct and improve the same and save money to the tax payers of Columbus county.

Respectfully Submitted,

J. H. McIVER,

County Superintendent and Secretary to the County Board of Education.
