COOP MEETING AT MOLLIE IS BIG SUCCESS

A meeting of the Mollie local of the Tobacco Co-operative Association was much enjoyed by a large crowd Saturday night, Dec. 6th. The program prepared by the program committee was real interesting.

Recitations on the subject Cooperative Marketing by the young people of the community was real inspiring and tended much to brighten the Coop spirit of every Coop, and to kindle a co-op spirit in the non Co-ops.

Music was rendered by the choir such as, Yellow Rocker's Blooming Old Black Joe, and several other good songs.

Our business meeting was omitted with the exception of the rollecall, to do justice to the very interesting program and to give space for a speech by Mr. Bain, our good warehouse man of Whiteville.

Mr. Bain did not leave anything unsaid that he should have said he realized. The old land marks and made the way to great goal of co-operative Marketing look much brighter. Many more such speeches as his are much needed to strengthen the weak and discouraged members, if there be any such, and to cause others to think on their way before it is too late.

After this, came the refreshments in the form of some very delicious pies, prepared by the girls and all were dismissed, eating pie.

Mr. Buck Gore, of our section passed the Mollie postoffice some days ago in a very curious position. His friends gazed at him with much eagerness but no alarm was made. His eyes were seemingly set on some object ahead, his arms outstretched and making unusual motions with his feet. He had bought a John Henry and was bringing it home.

The many friends of Mr. J. J. Todd will be pleased to know he is improving after a few days illness with flu.

Messrs. T. P. and F. M. Stanley and families were out motoring Sunday, and called on some of their friends in the Mollie section.

Mrs. Mary Jacobs, of Laurinburg is visiting relatives here.

Our beloved pastor of Sweet church, Rev. S. A. Haley, is on the sick list but hope him a speedy recovery.

Mr. S. A. Stanley has sold his farm to Mr. Berry Ward who will take possession of same at once.

Mr. Clarence Todd and wife visited his wife's mother Saturday night, returning home Sunday. From the appearance of his load, we judge he was anticipating a real house keeping campaign, as he had enough broom straw for three such families.
