Did not I HAY of good quality, for sale in lots to said by arrest you myselt with the pistol actually BROWN & DEROSSET. in your hand—that nisted!" said he holding in your hanf -that pistol," said he, holding it up and speaking in a moralising tone ... says the Cherokee Advocate of the 24th ult. which "that pistol with which you were about to recently made its appearance at Fort Gibson, has seek to take the life of a fellow being. Oh, off, within a week or two, a number of volunteer Brown, you're a bad man - you'd kill a fel. soldiers wationed at that post,

low being-you'd leave your wife a wido and your children orphans—and all for what? Honor! There aint no more honor in this duelling business than there is in any, other murder, only that its more genteelthat all."

This speech of the police officer rather bewildered poor Brown. What could it mean? he spoke of "taking the life of a human being" -of a "widow and orphans" -a "duel," and all that. Thus he thought, but before he could find a solution for the police officer's enigmatical speech, he was in the presence of the Recorder. Here an investigation of the affair was necessarily entered on, and this disclosed the fact that it had never entered into the mind o: Brown to fight a duelthat it never entered into the mind of Non A well known advocate of non-resistance Resistant to have him arrested for the rent, were attributable to the mischievous representations of Joker.

INDIAN MASSACRE

The following is the substance of a letter, says the Van Buren Intelligencer of the 3d inst., of a late date, to the editors, from a friend at Fort Washita; "I'm a what ?" said Brown, turning round, the letter itself being accidently misplaced, we and partially elevating his body, and as he rely upon our memory for the facts, which are as

That Col. A. M. Upshaw, the Chickasaw Agent, enough, he had been just placing between sent out two friendly Delaware Indians to the Wittwo shirts in his carpet bag-for, although chetaw village to ascertain if some horses that were one of the most peaceably disposed men in lately stolen from the neighborhood of Port Washithe world, he never travelled without Bet. ta, were not in the possession of that tribe. The but saw large, fresh trails, which satisfied them a "Seize him," said the police officer to his considerable number of Indians had lately been in fellow, "and seize that pistol." The order that neighbourhood. When they arrived at the vilchildren he was dragged off between the two in their namel places, but nothing that had life in police office is, one of them carrying the rehad been destroyed, and around which the dies of many of the Witchetaws were found, have

The ground showed where one party had drawn off their dead, and the Delawares at once saw that the Witcheta ws had been attacked by an overnumber of wild Indians, and nearly the whole tribe mur dered. The Delawares fearing to remain, left in a short time, travelling as fast as they could, and on beir route towards home, met a small party of Witcheraws that had been out hunting, to whom "to have me dragged from the midst of my they told what they had seen, and they at once said that their tribe had been attacked by the Camanchess on Pawnee Mahas, and murdered. They harried on towards their village, vowing to follow their enemies, and, if possible, release any prison.

> The writer thinks there is little donbt but that the nearly all the Witchetaws were slain; and says that persons around Fort Washita may now hope to enjoy a ride on horseback, which the thieving propensities of these indians rendered very uncertain, as they trequently came in and stole every horse they could lay their hands on.

> The steamer Native, Captain Carroll, on her last trin from Montgomery to this city, when near Catawba, burst her steam pipe, the explosion of causing great alarm among the passengers, without injuring any body, or the boat. A passenger on board, a Frenchman, being very

much alarmed ran to the Captain in a great state of excitement, and exclaimed-'Captain, what are you going to do now hi wan

'What am I going to do I coully replied the Captain, , why I am going to load up and fire her off
