Wilmington, Sept. 26. AGENCY OF CAPE FEAR STEAM BOAT COMPANY.

March 11, 1846. THE Cape Fear Steam Boat Com-I pany, having thoroughly placed in order the favorite Steamer, Culton Plant, and are building Lighters of the most approved style, and peculiarly adapted to the low stages of the River, are prepared to give despatch to Goods for Fayetteville, and the interior, on the most favorable terms.

The keel of a new Steamer has been laid, which will soon be completed, of such light draft of water, as to suit all stages of the River; and which, in lightness of

draft, WILL NEVER BE SURPASSED. Goods will be received and forwarded promptly thro Wilmington, free of all charges for Storage, Drayose, Wharfage, and Commissions; and will be attended to at Fayetteville, free of Commissions. Goods can be stored there, up town or at the river, as shippers may

desire.

The Cape Fear Steam Boat Company are determined to carry Goods on as favorable terms as any other Company; and from the long experience of their agents are immington and Fayetteville, have no doubt of giving their friends entire salisfaction. E. W. WILLKINGS

Oh, we shall have ham, a smile full of satisfaction and lovelisham, a smile full of satisfaction and lovelisham. respectfully invited to call at the Old Stand, North such a nice ride through these old roads and ness broke over her features, and she knelt you have shown us. If the gr down by the bank of that quiet river

And with a joyous bound she started for ward to meet the approaching band, the merry voices of the delighted little ones minging with her joyous shouts.

"Oh, sister Ether!" cried little Anna, we have had such a grand time; Eddy and I riding round through the forest with father replied the smiling girl. "We were passing to lead your dear little pony; and he is so this way, and saw your danger. It was Ostwinkling. A soft blush stole over her whenever she chanced to meet the dark sward and pretty flowers. Oh, I wish we "Then he has my gratitude, and I know had not go! home this whole hour yet!"

the dim shades of the thick grove.

group, they galloped away down the foot region."

path and were lost to view After riding a mile or two beneath the drooping boughs of the smiling girl, "we live in the dim, deep every hue and variety, Far to the left and her, you would love her too " on the opposite shore the forest was deep and losing their dark tops amid the shrubbery and spreading boughs. The cheeks of Ether Dunham glowed, and bright smiles deepened the dimples about her small mouth, while her brother's eloquent dark eyes beamed with intenser light as they tode onward, the musical flowery ground, as if, like their riders, subdued to pleasant thoughts by surrounding intrees, which bent over the stream and threw their dark shadows far out into the sleeping waters, a low warbling murmur not exactly like the carol of a bird—but quite as sweet and full of melody—fell on their cars; and instantly checking their tired horses, they bent breathlessly over their saddles and peer-ed down through the thick leaves; for the tresses from her. A low faint cry of wender balf burst from Ether's lips; but her brother's band smothered the sound, while he pushed his way sound seemed to proceed from their midst

nearer to the edge of the bank that he might have a more distinct view of the strange wild creature thus thrust upon their vision. She had grasped with one small brown hand a pliant branch of one of the trees that over-It was a low-roofed, humble log house in hung the dark waters, and swung herself the heart of a Western wilderness. At its from the slight foot-hold beneath, while the rule doorway stood two beings gazing out other reaching far up amid the clustering, upn the wild but magnificent scene—the clambering vines, that wound themselves prud giant trees with their tall branches ri- around every limb, she was trying to grasp a sig towards the blue skies; their glossy bunch of purple grapes which swung to and lewes trembling in the Summer breeze, and fio, constantly eluding the clasp of her slenforming a curtain through which the bright der fingers. Her large wild brown eyes sin beams poured over the rich sward at their with their thick silken lashes were fixed eafor the wild flowers peeping out from the gerly upon the capacious treasure, and her drk shadows of their huge trunks, and the full red lips half opened in their impatience. sarcely trodden toot-paths winding over the while the long jetty ringlets of her hair, in elvet turf from the narrow clearing about their lavish abundance fell back from her A low, thrilling carol, from a dark high forehead and hung trembling over like a beam of silver light through the free tree in the deep waters. The same according to the cottage. ness, and far away down the shady ravine now came again from her full heart, for the the CASH SYSTEM, by which means he will be pess, and far away down the shady ravine now came again from her full heart, for the able to furnish articles were created than they have was faintly heard the soft murmur of a riperstream peril of her situation seemed unable to restrain its outgushings of gladness; and

She was strangely beautiful; and as she bung there with only that frail limb for a support, and the notes of joy upon her lip, her straw bonnet, which hung by her side, Oscar Dunham and his sister turned pale with terror. She had just reached the purple fruit, and torn the rich cluster from its vine, when from the bright sun-light, while the whis- the bended bough broke with a sudden crash, and with one faint cry the daring girl sank and with one faint cry the daring girl sank beneath the dark surface below. She rose again almost instantly, and the next moment the strong arms of the bold youth had borne her up to the grassy bank, where he gently laid her with her head in Ether's lap. The little hand still grasped the luscious fruit, but the bright drops dripped from the stem, and and patient look upon her mild face, which the smile had bardly left the pale lip and taid that her life had not been without its cheek. Arthur bent anxious over the mar- and gratitude, and she laughed that so changes and trials. The glance which she ble face, and rubbed the cold hands with his musical laugh again till the shade par cast upon the young girl was full of tondness trembling fingers while Ether kissed the love. from the white brow of her parent a and material affection; and when she looked by brow and put back the wet hair, calling into the deepening shadows of the surround on her to wake. At last a faint color came fully to the manly youth and returns ing forest or up to the azure skies, the soft to the lips, the long lashes trembled upon the light of her dark eyes told of hope and concheck, and then the brown eyes looked up about the waist of Ether. tine, well adapted for the accommodation of a small tendment, if not enthusiasm. All at once the with a bewildered gaze; but when they tell low ringing laugh came from the lips of the youth, she sprang to her feet, while a crimyoung girl.

"They are coming, mother! See, there litte hand dropped from the forehead, and a upon the eloquent pale face of the stranger "They are coming, mother! See, there cry of fear trembled on her tongue. It was spoke, but it was low and down by her side, clasped her hands in both hers, and gazed fondly into her fair face.

" Was it you who took me from those dark waters?" she said, " Was it you who saved the Young Fawn to her mother's arms ?"

" Not me, dear one-but he-my brother."

But the chubby prattler was lifted from her her all." And she extended her hand timidcovered seat and stood dancing at the feet of by to the admiring youth, blushing and hang-her mother, while the baby boy chapped his ing her head in embarrassment. It was soft brown ringlets about her sleeder in tiny hands and sent out his infant carel from quickly withdrawn; not however till he had ers and kissed the little white hands. S the arms of his smiling sire. Ether had tied raised it to his tips, and reverently kissed the told her of the pleasant haunts about the straw cottage over her curls, and sprang trembling prisoner. "I knew I was caregracefully to the back of her favorite; and less," she continued turning to Ether, "but I river and occasional walks to the now he pawed the rich turf impatiently, and wanted the grapes so much, and besides I shook his glossy mane, as if quite conscious have often gathered them in the same way dear bright home she had lately of the lovely weight he bore, and longing to before without injury or accident. But I shall many friends she had bidden adie dark away down the mossy path and through be more wise in future, for my sweet moth- how with her father and mother, he

twenty, soon smilingly joined the company, ener, looking about her, "for Lisee no signs The wild creature clapped her hands and after kissing his gloved hand to the dear of cultivation, no house any where in this joy and denced about the little n

the old trees, they suddenly came to the steep forest, yonder over the stream, and our cotlank of a river of considerable size, turning tage just behind that ledge of rocks. Moto the right hand a full view of the open ther and I dwell in those woods alone; but country for many miles around. No ob we are very happy at least I am. only struction was offered to their progress, and sometimes when I hear my mother sigh or they rode gayly on over a surface of downy a tear in her eye. She is very good, and oh, moss and yielding sward be sprinkled with Hove her so much. I wish you could see

" And is your father dead ?" inquired Ethunbroken, and the steep grassy declivity er, gazing delightfully over her animated which rose from the river's pure waters was face and still holding the little hand which now and then broken by a chain of massive had been given her. "Oh yes-my father listen to the rustling of the forest let rocks extending far out into the stream, and was a great chief-a mighty king of a powthe, and since then my mother and I have lived alone, though she often sighs for the dear friends of her childhood, who she says are far away, or perhaps dwell in the Spiritland." A look of sadness crossed the elogical spirit and she with her large carnest eyes up in ry heavens, and wonder that the tiny gema could be scattered so in erful tribe; but he was long ago slain in buttones of the one blending with the deep mellow voice of the other in earnest conversation. At last the horses stackened their pace,
walking almost noiselessly along over the
flowery ground, as if like their rules. prefers the name of Nora, because she says who haver about the p it has been in her heart from childhood, guide them in the wa fluences. Just as they came to a clump of though she cannot remember whence it came. "Nors," whispered Ether to her brother, " our mother's mine!"

> "If it were not asking too much of you," continued the Young Fawn, "I would take you to our humble home and show you this sweet mother of mine. She is us fair as you.

torf, which stretched back from the brink, and stepping forth from the barque the graceful girl bounded the cliff followed by the young ato The scene was lovely, as they from the heavy shade and looked a Giant trees that had for cer with their intertwining boughs to threw their clustering foliage protections over the waving grass and nexting ets; and strange beautiful birds with g wing and lute-like voices were every looking out from the thick leaves, wh away through the brown trunks, its humb roof bending beneath the weight of a cla bering woodbine, peeped forth the solita cabin of the Young Fawn. A winding to path with its soft carpet of green led to door, and down in a little shady gien a by came sparkling and dimplin banks.

"Dear mother !" cried the wild, sweet m den, as she bounded through the open do and threw her arms about the bending ne of a pule interesting looking woman, w had arisen from her sent at the first son of her foot-fall. " Dear mother, I am here though sadly wet, and here are some friend who saved me from drowning; for I care lessly elimbed on the tree for a bunch of grapes and full into dark waters. The young gentleman generously brought me shore, and his sweet sister kissed me but to life, for I believe I was innensible till her

bosom and looked with a sad carne "You are welcome, or

full heart affords you my compensatis yours. Nora is all I have to love, she were to leave me, life would be less indeed." Tears sparkled in her blue eye, and she looked tenderly upo beautiful child who approached them the little bedroom, where she had excl "Then he has my gratitude, and I know of Oscar Dunham, and a strange thrill port of the my dear mother would bless him, for I am her all." And she extended her hand timidsettlement. And in return Ether told of Her brother, a tall, noble-looking youth of "And where do you live ?" asked her listvoices of her visiters mingled with merry laugh and a smile of s led the pale cheek of her pen She was rejoiced that a cor child; for since her young be bed with its gushing tenderness but her mother to love; though spirit went out towards all that

and glad in nature.
The hirds were her friends, as listened hours together to their me till her own tears had caught the she song as gaily as they. She loved too when the evening winds whispere them and they breathed forth their
