

WAREHOUSE OF PRINTS ONLY.

No. 56 Cedar Street, NEW YORK.

LEE, JUDSON & LEE, (LATE LEE & JUDSON)

OCCUPY the spacious FIVE STORY WAREHOUSE, No. 56 CEDAR STREET—the work of which is devoted to the exhibition and sale of the SEWELL ARTICLES OF

PRINTED CALICOES.

Their present stock consisting of nearly ONE THOUSAND PACKAGES, Embracing some THOUSANDS of different patterns and colorings, and composing every thing desirable in the line, FOREIGN AND DOMESTIC.

All of which are offered for sale, for cash, or satisfactory credit, at the lowest prices, by the PIECE OR PACKAGE.

New styles are received almost every day, and many of them are got up for our own sales, and not to be found elsewhere. Printed lists of prices, corrected from day to day, with every variation in the market, are placed in the hands of buyers.

Merchants will be able to form some idea of the extent and variety of our assortment, when we state, that the value of our usual stock of this one article, is at least twice the value of the entire stock of dry goods usually kept by our largest wholesale jobbers.

This fact, together with the fact, that our means and our attention, instead of being divided among a vast variety of articles, are devoted wholly to one, will render the advantages which we can offer to dealers perfectly obvious; and it shall be our care that no one who visits our establishment shall meet with any disappointment.

Our assortment is complete at all seasons of the year.

LEE, JUDSON & LEE, P. S. B. F. LEE, formerly of the firm of Lord & Lee, and late senior partner in the original firm of Lee & Bonaster, from which connection he withdrew some time ago, has resumed business in connection with Messrs. Lee & Judson, under the firm of LEE, JUDSON & LEE, and he ventures to assure his friends and the public, that the new firm will maintain the same pre-eminence in this branch of the trade, which formerly distinguished the other two houses to which he belonged.

The Graefenberg Vegetable Pills.

30,000 BOXES SOLD EACH AND EVERY WEEK!!

THE GRAEFENBERG COMPANY

HERRBY give notice that their General Agent for the State of North Carolina, is Col. Wm. Jones, of Louisville, Franklin Co., N. C.

The General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company; either on personal application or by mail, post-paid.

The rapid sale of these celebrated pills, and the extraordinary cures they are constantly effecting, render them, by far the most popular pills of the age. An Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints, in general derangement of the system; in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the class of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

CURES ARE CONSTANTLY EFFECTED

By these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given, but a trial of one box will convince the patient. They can be ordered and sent by mail, at trifling expense. The price is 5 cents a box.

Where two dollars worth are ordered and the money remitted, the Company will pay the postage on the Pills. Remittances at the Company's risk. Wherever there is no Agency of the Company they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

ALL BILLIOUS COMPLAINTS, Bowel Complaints, Consumption, Dyspepsia, Febrile and Arise, Houdache, Jaundice, Liver Complaints, Rheumatism, all Stomach Complaints, Green Stools, &c., &c.

Yield at once to these Pills. They purge away offensive humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

BY THEIR USE, The weak will become strong; the pale and bilious complexion be restored to a perfect fresh and healthy color; all the bad symptoms will one by one disappear.

In short, these Pills are an inconceivable advance upon any other medicine ever discovered for the cure. A trial will satisfy any one of this. June 5, 1847. 35

MERCHANTS' STEAM BOAT COMPANY,

OF FAYETTEVILLE AND WILMINGTON.

GREAT REDUCTION IN FREIGHT.

Averaging about 20 per cent.

New Steamer ROWAN, 17 inches. Steamer WILLIAM B. MEARES, Steamer COTTON PLANT, Flat Boats—BEN BERRY, OGD FELLOW, MIKE GRONLY, WASHINGTON, T. J. CURTIS, READY MONEY, MARY ELIZA.

THE Proprietors of the Merchants' Steam Boat Company of Fayetteville and Wilmington, N. C. offer the above Line of Boats, on the Cape Fear River, to the shipping public, under the late revision and reduction of Freight.

Their new Steamer, ROWAN, now draws only 17 inches water. When she undergoes some alteration in machinery, her draught is calculated at 14 to 15 inches, which will make her the lightest boat navigating the waters of any river in the Southern country. This Company flatter themselves that they have it now in their power to offer the most complete line of Boats that has ever been on the Cape Fear, and one that will do the freighting business with regularity and despatch on all days of the water. They have, in connection with the Henrietta Company of the place, reduced the freights to the tariff as in printed rates. Neither of the Boating concerns deemed themselves able to reduce the freights and still do the forwarding business in this place free of charge, and consequently this Company have given it up, with the conviction, that the Forwarding Merchants of our town can do it more justice than a boating concern.

Any Goods consigned to the Merchants' Steam Boat Company, Wilmington, N. C., will be forwarded through that place free of commissions—all other charges made to the shipper.

The new arrangement takes effect from the 15th inst.

Passage \$3, both ways. The two companies will hereafter count all freight, cash, or interest added. Direct letters to Thomas S. Lutterloh, Fayetteville; J. & W. L. McGary, Wilmington. THOS. S. LUTTERLOH, Agent. Fayetteville, Jan. 18, 1847. 130

Summer Arrangement-1847.

NOTICE TO DEALERS IN TURPENTINE & TAR.

WILMINGTON, June 1, 1847. THE undersigned, purchasers and dealers in Naval Stores in this place, with a view to adopt some general regulations which seem to them to be founded in justice, and more in accordance with the customs of other markets, have agreed to establish for their future government, the following REGULATIONS.

That as no good reason is apparent to them for changing the size or weight of barrels of Turpentine, and it would be productive of inconvenience to the makers and purchasers, it will be purchased as heretofore, the gross weight of barrels to be 320 lbs. or 260 lbs. net, the turpentine to be delivered on the yard for inspection at the expense of the seller; and as there has been in many cases, an unjust inequality, in fixing upon the amount of Extra, and whereas the law prescribes what the order of turpentine shall be, when exposed for sale, without prescribing any remedy in case it is not in said order, we therefore agree that hereafter a deduction shall be made under the designation of extra, in proportion as follows: For scuttling, packing, &c., one cent per barrel for the first two hoops that may be lacking short of twelve as prescribed by law, one cent each, and for each hoop less than ten that may be short, two cents each, also what other labor may be necessary to put the barrels under the law prescribed to be adjudged by the Inspectors, together with the usual deduction for unmerchantable barrels exceeding the number taken to pack. Purchases made at the Rail Road depot will be subject to a deduction of two cents per bbl. drayage, thereby placing the sellers by Rail Road on a footing with those by water. These regulations to apply to all sales in accordance with the customs of other markets, and so far as regards the expenses of rolling and draying.

The custom adopted in reference to the condition of the barrels it is supposed must be free from all objection, as turpentine put up in perfect order will only be subject to a deduction of one cent per bbl. instead of the former rates of extra.

We do not agree that in a future we shall refuse to compromise for fraudulent mixture as heretofore, that we deem chips, straw, billets of wood, lime, dirt, &c., as a fraudulent mixture, and that we shall abide by the strict letter of the law in all such cases. And whereas it appears that the Inspectors do not consider themselves authorized to make bills otherwise than as prescribed by law, in all cases, purchases by the bbl. of 320 lbs. and allow the Inspector to make his bill as the law directs 260 lbs. but that there shall be deducted from the bill one eighth of the amount.
