New styles are received almost every day, and many of them are got up for our own sales, and not to be found alsewhere.

IP Printed lists of prices, corrected from day to day, with every variation in the market, are placed in the hands of buyers.

Merchants will be able to form some idea of the extent and variety of our assortment, when we state, that the value of our usual stock of this ONE ARTICLE. is at least twice the value of the entire stock of dry goods usually kept by our largest wholesale jobbers. This fact, together with the fact, that our means and our attention, instead of being divided among a vest variety of articles, are devoted wholly to ONE, will render the advantages which we can offer to dealers perfectly obvious; and it shall be our care that none who visit our establishment shall meet with any disappointment.

Our assortment is complete at all seasons of the ycar.

LEE, JUDSON & LEE. P. S. B. F. LEE, formerly of the firm of Lord & Lees, and late senior partner in the original firm of Lee & Brewster, from which connection he withdrew some time ago, has resumed business in connection with Messrs. Lee & Judson, under the firm of LEE, JUDSON & LEE, and he ventures to assure his friends and the public, that the new firm will maintain the same pre-eminence in this branch of the trade, which formally distinguished the other two houses to which he belonged. WASHINGTON,

THE Proprietors of the Merchants' Steam Box Company of Favetteville and Wilmington, N. C. offer the above Line of Boats, on the Cape Fear River. to the shipping public, under the late revision and a duction of Freights.

Their new Steamer, ROWAN, now draws only 17 inches water. When she undergoes some alteration case it is not moved order, we therefore agree that in machinery, her draft is calculated at 14 to 16 incheswhich will make her the lightest boat navigating the waters of any river in the Southern country. The Company flatter themselves that they have it now in their power to offer the most complete line of Boats that has ever been on the Cape Fear, and one that will on all slaves of the water. They have, in connection the Boating concerns deemed, the madves able to reduce the freights and still do the forwarding business will be subject to a deduction of two cents per fild. in this pluc free of charge and consequently thejustice than a boating concern Any Goods consigned to the Metchants' Steam Boy-

Company, Wilmington, N. C., will be forwarded through that place free of commissions-all other charges made to the shippei. The new arrangement takes effect from the [5:1
