Breadstuffs .-- Since the sailing of the last steamer the grain trade has been very dull and inactive throughout the United Kingdom. The supplies at most of our leading markets have been large, and as buyers were very sluggish in their operations, prices have declined. Provisions .- The quality of Beef now in market

is very inferior, and the demand limited-holders would willingly accept a reduction. In Pork and Bacon there has been a fair business

done. HUMORS. WRIGHT'S INDIAN VEGETABLE PILLS, are used as a commetic and putifier of the blood with great success, removing all unsermly blotches, external sores, and cutaneous eruptions of every kind. New York, June 12 1548.

To Dr. Wright. Philadelphia :

Dear Sir-Having been afflicted with .most distressing humor for many years past, and naving used every means that afforded the temotest pro ibility of relisf. I was at last induced to try your . lushis Indian Vegetable Pills. I am now satisfied har B have received more benefit from the use o them, than from all the medicines I have heretofon aken. I therefore take pleasure in recommending that Pills to all who are or have been suffering from any hurmor, believing, as I do, that they act directly upon the blood and by their purifying virtue, will compictely cleanse it from impurity. HENRY GREEN, 30 Norfolk sr.

NERVOUS FITS.

Those arise more frequently than is generally suppored, from the presence of Worms, and from Lyspepsia. Wright's Indian Vegetable Pills remove the cause in both cases.

New York, Nov. 17, 1847.

Dr. Wright: Philadelphia: Dear Sir-Your Indian Vegetal le Pills have been the means of completely restoring my health. Un-til within a short period. I tave been subject to a succession of Nervous Fits, which completly defied the skill of the doctors, I had become so weakened by the disease and the use of medicine, that I could hard-ly stand. At this crisis, I began to use the Pills, and have continued until within a short period. I am happy to say that my health is quite restored, and that for more than two months, I have had none of the old symptoms.

Please make some use of this, as I am really anxious that others may be benefitted in the same way. Yours, &c. CHAS. KINKAID. 14 Pin St.
