WRIGHT'S INDIAN VEGETABLE PILLS

are used as a cosmetic and purifier of the blood with

great success, removing all unseemly blotches, ex-

ternal sores, and cutaneous eruptions of every kind. New York, June 12' 1849. To Dr. Wright. Philadelphia: Dear Sir- Having been afflicted with the mast distressing humor for many years past, and having used every means that afforded the remotest probability of relief. I was at last induced to try your valuable Indian Vegetable Pills. I am now satisfied that I have seceived more benefit from the use o them, than from all the medicines I have heretofore taken. I therefore take pleasure in recommending the Pills to all who are or have been suffering from any bumor, believing, as I do, that they act directly upon the blood and by their purifying virtue, will com-

pletely cleanse it from impurity.
HENRY GREEN, 30 Norfolk st. NERVOUS FITS.

Those arise more frequently than is generally sup-pored, from the presence of Worms, and from Dys-pepsia. Weight's Indian Vegetable Pills remove

the cause in both cases. New York, Nov. 17, 1847. Dr. Wright, Philadelphia: Dear Sir-Your Indian Vegetal le Pills have been the means of completely restoring my health. Un-til within a short period. I have been subject to a succession of Nervous Fits, which completly defied the skill of the doctors, I had become so weakened by the disease and the use of medicine, that I could hardly stand. At this crisis, I began to use the Pills. and have continued entil within a short period. I am happy to say that my health is quite restored, and that for more than two months, I have had none of the old symptoms.
