THE LADY AND THE ROBBERS.

tance from the high road, Baron R. was this the only condition of my death I should from the village.

took with him two of his servants, and two dies; spoke with the familiarity of an old others were left with the baroness. No vi-

heard of in that of the country; and as in the most laborious occupation. the baroness did not belong to the timid portion of her sex, the idea of danger was now collected together, and the captain of far from entering her mind.

The second evening after the baron's de-Her two servants, half naked, were extended lifeless on the floor! The room was to the contrary." full of strange and ferocious-looking men, mercy she implored, received the fatal ing two hundred dellars. stroke. No sooner did the door open than two of the barbarians, with drawn swords, 'now I see you are an incomparable woman. rushed towards it. What man-not to say will keep you for this like a duchess' probably, be the last resource of many in a different manner.

'And you have come at last!' exclaimed she, with a tone of heartfelt joy, and advancing towards her two assailants with a haste which highly astonished them both, and fortunately stopped their uplifted wea-

'Are you come at last!' repeated she such visitors as you I have long wished to see,' Wished, muttered one of the assassing.

He had already raised his cutlass, but onesedid not take the least notice of this.

what she would have! Nothing but what is your pleasure. brave comrades. You have made charmhave any reas in to repent it, if you will the consent of your companions as readily listen for two minutes to what I have to as you have gained mine!

Speak! speak! cried the whole com-

pany · But be quick,' added one of the fiercest of them, 'for we shall not make much ceremony with you either.'

happy then I am. My husband is one of on the lace of the earth. I hate him as 1 rights." LIGHT BOLLS OF LADING, bound hate the ____, and it has long been the fervent wish of my heart to get out of his clutches, and at the same time pay him off old scores. All my servants were his she had made. Pre found them! she worst of them all. I am scarcely twentytwo and, as I flatter myself, at least not ugly! If any of you choose to take me pent sparing my life. You are in a wellshould be acquainted with all its secret do not make you richer by 6,000 dollars,

> Robbers of this kind are certainly villains, but nevertheles, they are still men .-The wholly unexpected tendency of the their servants hastened to the mansion. baroness, address-added to the uneffec- The baroness waited for them at the gate ted tone with which she spoke, and the of the court-yard. 'A few of you,' said she, more than ordinary beauty of the female will be sufficient to put out this fire, or men whose hands where yet reeking with the blood they had shed. They all stop ped aside, and consulted together in a low Post yourselves in the avenues of the cellar, tone, for some minutes. The baroness was left quite alone, but she betrayed not the least wish to escape. She heard two or three thus express themselves 'Let's despatch her and the game will be up! She, however, scarcely changed he color, for the opposition of the other did not escape her ear. One, who was probably the captainof the banditti advanc-

ed towards her He asked twice or thrice whether he might rely on the truth of what she said—
whether she actually wished to be released
from the 'vranny of her husband and go

resign herself to one of them, to himself for instance, during the few peaceful days they could enjoy! Having replied in the affirmative to all those questions—having not only suffered the warm embrace of the robber, but returned it—for what will me necessity excuse? He at length said,

'Come along, then, and lead us round .-The - trust you ladies of rank, but we'll venture for once. But let me tell you, beforehand, that were you ten times as handsome, this weapon shall cleave your skull the moment we see the least disposition to escape or betray as.

Then it will be safe enough-and were

accustomed to spend the summer. His outlive you all, and even the Wandering mansion, built on an eminence, was per- Jew himself. The baroness smiled when fectly adapted to his fortune. It was a she pronounced these words, hastily snatchspacious building elegant within and with- ed up the nearest light, as though she had out, and displayed a good style of archi-tecture. It was about two hundred paces the plunder and be gone, conducted the whole company through every apartment Business obliged the baron to take a opened, unasked every door, every drawer journey of a few days. His wife, a young and chest; assisted in emptying them and and beautiful woman scarcely twenty packing up the valuables; looked with the vears of age—remained at home. He acquaintance to each of the horrid troop; olation of the public security had ever been and willingly aided, with her delicate hands,

Plate, money, jewels, and other valuables the banditti was already giving the order for the march, when his destined bride parture, as she was stepping into bed, she suddenly caught him by the arm. 'Did I heard an alarming noise in an apartment not tell you' said she that you should not near the chamber. She called, but receive repent making a friend of me, for sparing confusion grew louder every minute. She in places you find open; but it is a pity was at a loss to conceive what was the that you cannot come attreasures that are matter, and hastily putting on a garment a little concealed. What! do you suppose went to the door to discover the cause .- that among coffers so full of the most valu-What a hornd spectacle presented itself .- able effects there are no secret places? Look here, and then you will be convinced

She pointed to a secret spring in the the baronoss' chambermaid was kneeling baron's writing-desk. They pressed upon before one of them-and instead of the it, and out fell six rouleaus, each contain-

'Zounds!' cried the leader of the robbers,

what woman-would not have been struck 'And, perhaps, better still,' replied she, with the utmost terror—and given up life and every thing as lost? A loud shriek of more. I am well aware you must have despair-a flight of a few paces-would, spies who informed you of the absence of my tyrant; but they did not tell you of the The baroness, however, conducted herself four hundred gulders he received yester-

> 'Not a syllable; where are they?' 'O, safe enough under half a dozen locks and bolts. You would certainly not have found them and the iron chest had it not been from me Come along comrades; we have finished above ground, and now we'll see what is to be done under it. . Come

along with me, I say, into the celler." o see? The robber followed, but not dithout precaution. At the entrance of the What do you mean by that? but stay, I man was posted as a sentinel. The bar-

his comrade averted the stroke 'Stop a She conducted the whole troop to a vault moment, brother,' said he, 'let us first hear at the farthest extremity of the cellar. She unlocked it, and in the corner of this recess stood the chest she had describeed. 'Here, said she, giving the captain a bunch of ing work here I see. You are men after keys, here, unlock it and take what you my own heart, and neither you nor I shall find as a wedding gift, if you can obtain

> The robber tried one key after another, but none would fit. He grew impatient, and the baronness scemed still more so.

'Lend me them,' said she, 'I shall find the way sooner. Indeed, if we don't make haste the morning will overtake us. Ha, Nevertheless, I hope you may, if you only think, the reason none of us could but grant me. hearing. Know then that unlock it is clear enough. As welcome I am, to be sure, the wife of the richest as your visit is to me yet I have no scrugentleman in the country-but the wife ples to confess that the arrival of great of the meanest beggar cannot be more un- pleasure has flurried me a little. I have brought the wrong bunch of keys. A mothe most jealous and niggardly wretches ment's patience, and I'll soon set things to

She ran up stairs, and presently threy spics-and that fellow, whose business cried at a distance. She was within about you have done so completely, was the three steps of the person placed at the entrance of the cellar, when she made a spring at the wretch, who as little expected the dissolution of the world as such an along with you, I will accompany him attack. A single push with her strength to the woods or to the village alchouse __ tumbled him down the stairs from the top Nor shall any of you have re ason to re- to the bottom. In a twinkling she closed the trap-door bolted it, and thus had the stored mansion, but it is impossible you whole company secured in the cellar. This was the work of a single moment. In the corners. These I will show you, and if I next she flew across the court-yard, and with a candle set fire to a pigstye The watchman in the neighboring village perceiving the flames instantly gave the alarm. In a few minutes the inhabitants were out of their beds, and a crowd of farmers and -although produced a powerful effect on prevent it from spreading. But now provide yourself with arms, which you will find in abundance in my husband's armory. and suffer not one of the murderers and rob-

> bers shut up in it to escape Her directions were obeyed, and not one of them escaped the punishment due to his
