THE BASHFUL MAN.

preciate in perplexity.

erty, and without other instruction than he his pain, and appear perfectly at his ease had acquired at a charity school; but, on after so painful an accident. the death of my mother, and having no The cheerfulness of Lady Bienvenu, and other children than himself, he resolved to the familiar chat of the young ladies, inprocure for me an advantage which, in his sensibly encouraged me to throw off my country college, and from thence to the subjects. The library was richly furnishuniversity, intending that I-should take or- ed with books of an elegant binding. I ders Here, receiving only a moderate al- supposed that Sir Thomas was a man of lowance from my father, and finding my letters, and ventured to give my opinion self inclined to timidity and bashfulness, I respecting several editions of the Greek had no opportunity of throwing off that classics, in which the baronet's opinion en-

der, that I have a fair complexion and light of them, excited in me a strong curiosity and it was generally believed that he was its progress with my cambric handkerlong stace dead, when he unexpectedly ar- chief rived in England, only a week too late to

close his brother's eyes. I was inconsolable at the loss of my-father, but my uncle seemed hitle affected, for he had been separated from his brother more than thirty years, and in that time had acquired, as was his wont to boast, a fortune sufficient to render a nabob happy. In a word, he brought home with him the large sum of thirty thousand pounds sterling, and on this he founded hopes of un- and her eldest daughter: limited happiness. While he was forming plans of grandeur and enjoyment, whether my face had resembled a burning coal. I the change of climate proved injurious to had just began to recover my spirits, and him, or some other cause of which I am feel composed, when an FRMAN and American Glue, of prime quality dreams of happiness, by a short illness of es. Having placed my plate of soup too for Pisullers. For sale by DeROSSET & BROWN. which he died leaving me sole heir of all near the edge of the table, in addressing

his property. Behold me now, at the age of twentyfive, well versed in Latin, Greek and mathematics, possessed of an ample fortune, but THE Turpenfine distillery at Faisons Depot, on the Rail Road farety owned by John Christian, will be said at a fair price, for further particulars apply to JEFFREYS & LEIGHTON never designated me by any other title than that of the rich and learned closen.

> I purchased a short time since an estate in the country, where I am surrounded by what they call persons of the beau monde and if you consider my parentage and awk wantness, you cannot easily conceive how much my company is sought in the neighhoring families, especially in those containing daughters of a marriageable age have received from the neighboring gentle men familiar visits and the most pressing invitations. But, though I desire to accept their friendly offers, I constantly excuse myself under the pretext that my affairs an not yet settled. For the truth is, that have the goodness to pass her a pigeon when I mount on horseback, or go out to near me In my haste, scarcely knowing with the formal intention of returning their frequent visits, my heart fails me ding, as hot as a burning coal; it was when I approach the door, and that, more than once, I have returned to my own house, fully determined to make a new at

> tempt the next day However, I resolved at length to subdue my bashfulness, and accepted, three days no doubt of a cordial reception Sir Thom-as Bienvenu, who lives at the distance of and a glass of Maderia was brought from about two miles, is a baronet, proprietor of an estate with a yearly income of two thousand pounds, near the one which I have purchased. He has two sons and five or whether malice instigated him, he gave

> taken for some time past lessons in dancing, from a professor of this science, and all me to swallow the hquid, clapping my though I at first met with numerous diffi- hands to my mouth, the liquor escaped culties in the art which he taught me, my through my fingers, I was assailed with knowledge of mathematics aided me won- shouts of laughter from every corner of the derfully by teaching me how to preserve room. In vain Sir Thomas reprimanded my equilibrium, and to adjust my centre of the valets-in vain did Lady Bienvenu gravity with the five positions.

> Having then acquired the art of walking without making false steps, and learned to bow, I accepted with confidence the baro net's invitation to a family dinner, doubting not that my new acquirements would suffer me to present myself before ladies f ted handkerchief, which was yet quite with tolerable intrepidity. But, alas! how wet, thanks to the fall of Zenophon, and I vain are all hopes founded on theory, when besmeared my face with streaks of ink in they are not sustained by habitual practive every direction. The baronet himself could uce ' As I approached the house, the

sound of the clock alarmed me and I feared I had made dinner wait from want of punctuality: disturbed by this thought I turned red as scatlet, while my name was repeatedly announced by servants in livery, who introduced me into the library, scarcely knowing where I was and whom

At my entrance, I summoned all my courage, and made my newly acquired salutation to Lady Bienvenu, but unfortunately, in bringing back my left foot to the third position, I stepped on the gouty toe of poor Sir Thomas, who followed close behand to introduce to me each member of I experience a kind of tribulation which, his family by name. It is not easy to ima-I fear, will at length oblige me to renounce gine the embarrissment I experienced on society in which I am very desirous of ap- this occasion, since bashful persons only pearing; but I will give a short sketch of can judge of my misfortune, and their numiny past history and my present situation, ber is, I think, very small. The baronet's that the reader may be enabled better to ap- politeness gradually dissipated my confusion, and I was surprised to find how well My father was a farmer of small prop- good breeding enabled him to dissemble

opinion, would have rendered him happy - reserve and sheepishness: I ventured even a libered education. He first sent me to a to mingle in the conversation and starting natural gauchece which is the fatal cause of tirely coincided with my own I was leit all my troubles, and from which, I begin to to this subject by observing an edition of fear, I shall never be able to free myself. Zenophon in sixteen volumes, which, as I I must premise that I am tall and slen- had never before heard any mention made hair, but such a tendency to blush that, I rose to examine them; Sir Thomas perwhen at all confused, all my blood rushes | ceived my design, and wishing, I suppose, to my face, and I resemble a rose in full to spare me the trouble, rose also to get the bloom The consciousness of this unfor- book, which redoubled my eagerness to pretunate weakness caused me to shun com- vent him, so that I seized the first volume pany, and I became fond of college life, bastily, and drew it out; but, good heaespecially when I reflected that the unpol- vens! instead of the book, a board, covered ished manners of my father's family were with leather and gilding, which made it little adapted to instruct me in the usage of resemble the sixteen volumes fell precipithe world. I had therefore determined to tately, and unfortunately overturned an remain at the university and take pupils, inkstand on the table placed under the liwhen two unforseen events wrought a great | brary In vam Sir Thomas assured me change in the posture of my affairs, I that I had done no harm; I saw the ink mean the death of my father, and the re- flowing in large s reams from an inlaid taturn of an uncle from India. I had sel- ble upon the Persian carpet, and, scarcely dom heard my father speak of this uncle, knowing what I did, I endeavored to arrest

> In the height of this confusion, we were informed that dinner was served, and I g adly perceived that the striking of the clock which had at first caused me so much alarm was only the stroke of the half hour before dinner. In crossing the drawingroom to repair to the hall to dine, I had time to recover in some degree from my embarrassment, and I was invited to seat myself at the table between Lady Bienvenu

Since the fall of the wooden Zenophon ignorant, he was carried off. amid all his cident again suffused my check with blush-

> Miss Dinah, who politely complimented me on the form of my waistcoat, I let fall the boiling soup upon my knees. Notwithstanding a number of napkins which were at once offered to wipe my clothes, I believed, for some moments, that I was being boiled in a caldron. But, remembering that Sir Thomas had dissembled his pain when I trod on his toe, I bore my misfor-tune courageously and in silence, and seated myself amid the stifled laughter of the ladies and domestics. I will not relate the numerous blunders which I committed during the first service, nor the embarrassment which I suffered when called upon to carve a fowl, or serve the company from some dishes which chanced to be near me, upsetting a ture-n fell of sauce, and overturning a salt-cellar; I hasten to the second

course where new disasters awaited me. I had on my fork a piece of pudding, when Miss Louis Bienvenn asked me to what I did, I carried to my mouth the pudimpossible for me to conceal my suffering; my eyes were starting from their sockets. At length, notwithstanding my shame and resolution I was obliged to let fall on my plate the cause of my suffering. Sir Thomas and the ladies pitied my misfortune; each since, an invitation to dine with a man advised a different remedy; one recommendwhose frank and simple manners left me ed oil, another water, but all agreed that

the sideboard But, alas! how can I relate the sequel? whether the buttler was taken by surprise, daughters, all of a pleasing exterior, who meaglass of the strongest brandy with which live with their mother and an old aunt, the I filled my mouth, already wounded and sister of Sir Thomas, at the estate of Bien- cicatrized. Entirely a stranger to the use of all spiritous liquors, with my tongue, my Conscions of my awkwardness, I had throat and my palate severely scorched, then for some time past lessons in dancing, what could I do? It was impossible for chide her daughters; the measure of my shame and their amusement was not yet

> complete. To free myself from the intolerable state of perspiration into which this accident had thrown me, I wiped my face with that ill-
