A SONG FOR THE MILLION. Fair children! wherefore do you toll behind yo

Oh let your tiny hoes and rakes and seedling tres Life bath no sumbeam like the ray that gilds you

time of day :-Then spend your first and freshest hours in frolic and Oh yes, we dearly love to sport when our light task

in o'er, And rest is sweet when we are fired, atranger, but We'll join you in a game at rounps before the day

10 do." Young man, why bend thy graceful form above the

plow and spade, Or drown thy spirit's young romance among the dia of Trade?

Pleasure's young rose is not so bright at the years and ten :--Then pluck the flowers that walt thee now, they will not bloom again,

Stranger, no gilded moth am I, but like the wilding The flowers that by the wayelds bloom are fair enoug

for me I love the joys that come unsought, and so perch would you; Then let us labor while we may-we've nothing else

to do." Yet hear me, venerable sire, with hair of silvery Wear not the vigor of thy years in thankless cares

Through life the dew of toil has stood in beads upor thy brow, The senson of repose has come, empy its blevs

Stranger, the lengthening shadows tell the nest approach of night, And while the latest sumbeam falls, I'll work with all my might.

Then talk not of repose to one hours are few. For those slone should slumber who have no else to do.

WOONSOCKET, R. L.

THE WIDOW I tell thee that the dead Have strength, their putrid shrouds within, To blast and torture. Those who live

Is merciless -SHELLEY.

[CONCLUDED FROM OUR LAST.] For many a weary hour after this did the poor young widow pace up and down the still: she'll be better soon. Go and large, desolate drawing-room. It was handsomely furnished, and the three spacious windows afforded the prospect of an extensive and richly-cultivated though level country; but within and without, an air of gloom pervaded all. The furniture was partially displaced, and the dust which partially displaced, and the dust which taken. At last she opened he had accumulated on it during the househad accumulated on it during the house-hold revolution, caused by sickness, death and huntel was there still; while the size and burial, was there still; while the view without was obscured by a fine, thicklyfalling rain, which left visible only the
dim outlines of trees, a dream-like region

"How is it that you have been here a
all the day?" he asked.

"Did you not hear the will read? beyond, and a leaden sky above. Such no wonder they should all formake weather is pleasant enough when it serves with the accusation of some strange of as a foil to the cheerful comforts of a hap-inality hinted at in a dead man's will." py home, where the glow of a bright fire seems like the reflection of the kind faces it illumines, and the dull patter of the rain the had another wife living; upon the fallen autumnal leaves makes yet my marriage was illegal, and mere joyous, by the contrast, the carrolling this fraud the means of der of the sweet home voices. No such voice sounded a delightful contrast to the monotonous tread of the desolate widow; no kind face smiled on her from beside the cold hearth, littered by the ashes of the last fire that had been lighted there, ere the physician's announcement that the stern master, whom all obeyed with fear and dreadful to conten trembling, could arise no more from his sick bed, had let loose the anarchy that ever treads upon the heels of slavery.— And there was not one among all the train | er relatives - brothere - sisters - all ! of domestics to bring her a glass of wine, nor the slighest refreshment, nor the comfort of a sympathizing eye. It seemed that she, too, might have been in the tomb, so

ish of some mysterious stigma was already attached to his name; and whispered conjectures went round, till they came back to the original whisperer in the form of authentic facts, so grown that the parent knew not his own monstrous progeny. Evening drew on,—damp, dull, and chil-ly; and still the widow walked reatlessty about, and still she was alone. Once or twice a curious face preped in, and with-drew again as quickly, but she knew it not. It was was plain that she was endutwice a curious face preped in, and with drew again as quickly, but she knew it not. It was was plain that she was enduring a keen mental struggle, and the discomfort around her prompted strongly towards securing the luxuries to which she was habituated, even at the dreadful price demanded, rather, than face the horrors of poverty as t destitution which she was already beginning to experience. The fair-ready beginning to experience. The fair-ready beginning to experience doubt.

"What a pity it is that I am not marriant with half-a dozen children, so that could engage you at once as their government, and with half-a dozen children, so that could engage you at once as their government, in great perpiex. "But that could be remedied yet, if I is knew of some nice widow with a family and price the prompter of the good doctors are the could engage you at once as their government, and with half-a dozen children, so that could engage you at once as their government, and with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am not marriant with half-a dozen children, so that I am n ness arising frem hunger had also, doubtless, some effect in lowering her courage. "Oh God! what shall I do?" she exclaimed, wringing her hands in anguish; "I see too well that I must yield! I have

no meas of earning a living ; for who would

servants had heard the will, and the blem-

proach ? No it shall never co ! marry him! I will not of the tyrant that death h as she spoke, she started up, where she had been sitting & hour, mechanically watching they fell from the caves. She watching they fell from the caves.

as with difficulty she raised herself, dragged her faltering limbs to the a all must submit. Oh! it's very cold? At this moment the door was go opened, and a shuffling step erossed

room. The person who entered was poor woman, meanly dressed, who carrin one hand a tallow candle, very mu "run down" over the duty and batter candlestick, in the other a small (ray,

which were a cup of tea and a few slice of bread and butter.

"Please, ma'am, excuse the way I've brought it up," size began, spelogetically whith Liput got it as I comit for

they're topsy-turvy down stairs."

As if in corroboration of her wonls, the dining-room door was at this instant th open, and a busky voice, strained to its ut-most in the excitement of intexication, bawied out, so loud as to be perfectly and able in the drawing-room, "l'it bet you hundred pounds she marnes me before the year's out."

"Done" replied the lawyer; "and I'll bet a hundred she does not marry you at

The door was closed again, and sheard no more, but covered her face wither hands, and seemed overwhelmed wi

"Please, do take a drop of tea, there's

dear lady, "said the woman.
"Who are you?" inquired the lady, for
the tones of sympathy were new to her.
"I'm only the charwoman please, ma'am
and I wouldn't have made bold to come up and I wouldn't have made bold to come up, only they're all so busy down stairs, and some of them going away, and the rest waiting onthe gentlemen; so I thought, as you'd beenbers all the afternoon without any thing to take, that your noor heart must be sinking for the want of something. "I am, indeed, very faint, me good trend," replied the widow, attempting to rise, but sinking back again, "I must be ill, I think. Oh, God I that this were death!"

"Oh, la! and there's the doctor to see you, too, and I quite forget it.

A tall figure, clothed in black, ata a moment beside the sofa, and then out of the room. In a minute he readed with a bottle and glass in his has "Drink," said he authoratatively, a placed a tumbler, half filled with wi her lips, and made her drink it off. "
her lie still a little," he continued to char-woman, who was anxious

"What did he mean ?" "Ah I can you conceive such villain

"And will you marry him?"

"What else can I do? Stary " Have you no friends ?

"Not one. My purents a by his care I am ahenated fro "But you have hands-you have" —you have accomplishments; why sho you not work, or teach, and so carn and dependent living ?"

utterly was she forgotten. Some of the "Who would have me for a teacher Who would believe that any man could punish the child he took from her her bome at fifteen years of age—the wife who has for seven weary pedured, without complaining, the assibility to the seven would believe that I could be so without deserving it. You see the has already had upon the serve ought to know me better."

"Your regrets are useless, my kind friend, she said, "I could not undertake to teach. As I told you, I was married at fifteen, and a girl at that age knows but little. My edscatton since then has been very imput
