evitably surrounded. Mrs. Greville made some feeble resistance, and she had reasons of her own for neither insisting too pertina-ciously, nor too strongly; and accordingly, after a few day's hesitation and well acted reluctance on the part of Blance, the time for the marriage was named, greatly to the relief of the too principal parties, who were both tired to death of the farce which they were severally enacting.

Whole No. 577

THE WILL.

BY MISS PARDOE.

mage, or her majority, the sum of £30,000

triumph. She was surprised that Sir Fred-

eric should have degraded himself by be-

himself, it was a matter of perfect indiffer-

ence; when Lady Dampmore immediately

manageable; and Sir Frederic, with Lor-

By what he considered a fortunate fatal-

ity, he found the young lady alone, string

ing her harp; an occupation from which

our readers or ourself, by detailing the ad-

pressed the letter of Lorraine closer to his

person, to assure himself that its existence

was not a dream; "want a fine woman at

Dampmore Hall, to displace the dowager,

"But you are quite sure that you shall

A smile of the most liberal and benevolent

impression, radiated the heavy features of

the baronet, as he replied playfully. "Don't

you be afraid, my dear girl, we'll manage

to make the pot boil. And now, what say

you? We'll talk no more about ways and

means. Will you have me ?"

cision without mamma's consent."

was harmony and good humor.

Lady Dampmore ought rather to aspire to

lead the fashion than to follow it. And

when Mrs. Greville faintly remarked some-

thing about collecting their connections

around them upon so interesting an occa-

sion, she laughed her out of what she term-

ed her antiquated notions, and cited twen-

ty instances in which personal friends of

her own, of high rank and enormous wealth

had left London just before the ceremony

"I may consider of it."

"And if the old lady says 'Yes?"

not repent marrying a wife without mon-

and needn't look further."

ask Blance."

out fortune.'

It was now Lady Dampmore's turn to

This important point decided, Lady Dampmore proceeded to suggest that the ceremony should be conducted as privately as possible, and that Blance should have no attendant at the altar, save her sister; while Sir Frederic, on his side should be accompanied only by a single friend; in which case there could be no The result will be of course anticipated. Lady Dampmore could not suppress a impropriety in herself and dear Mrs. Greshudder of dread, as she saw her son re- ville being of the party to church, and havceive the answer of Lorraine, which arri- ing the happiness of seging their beloved ved by return of post; but doubt and mis- children united. Nothing could be more giving vanished at the "All right" with affectionate and endearing; and as both the which he terminated its perusal. The elder ladies shed tears, while discussing the young barrister had lost no time in comply- subject, it was of course arranged accord ing with the request of his friend. He had ing to their desire; upon which Sir Prodbeen to Doctors Commons, had duly paid eric declared that he should make a groomshis shilling for the privilege, and had then man of Lorraine, for that it would be devilread the Will, wherein the Honorable ish bard, as he was by when they were Charles Greville had bequeathed to each turned off, that he should not be in at the of his daughters, on the day of her mar- death.

The heart of Anabella gave one wild bound as she heard the decision of the baronet ; but she compressed her lips tightly, and no one remarked her emotion, and so a lieving for an instant, that any deceit were week rolled by. The satins and blondes, possible. She felt personally hurt that her the Brussels lace veils, and chip bonnets friends should have been classed with the were all duly trimmed; and at length the sharpers and swindlers, to whose contact eve of the marriage-day found the party ashe was only too much accustomed; and sembled as usual round the tea-table of Mrs. she trusted that in future, he would do her Greville, with the addition of Mr. Lorraine, the justice to place a little more faith in her who had been deposited at the door of the penetration. Her amiable son only replied | hotel, just as the promessi sposi and their afby inquiring which of the girls she would fection ate relatives were terminating their advise him to have, as he declared that to desert.

Blanche looked uncommonly pretty here was a triumphant expression in her named Arabella, she thought her the most deep blue eye and about her small mouth, Lorraine had never previously soon there, raine's letter in his pocket, as a certificate but which he took no trouble to understand of safety, forthwith proceeded to offer him-Mrs. Greville, too, was radiant, and her self and his debts to the acceptance of Miss joy circled like a halo round her weeds nor did the young barrister fail to perceive He had not, however, reached the exhow much it was increased by his own tremity of the gallery, when he rememberpresence. Lady Dampore was calm, state ed the terms in which his mother had rely, and some what dictatorial; like one de commended the elder sister; and with the sirous to enjoy to the full, the success of cunning of persons of his stamp, he mut her exertions. Sir Frederick, a shade tered to honself "So, so, the most manage- more lethargic and more uncouth than ev-

able, is she, Lady D.? You want to er. His work was done: "all the lovemanage my wife as you try to manage me; making," as he took an early opportunity but I'll take you in for once, for egad, I'll of observing, with great self-gratulation, to his friend, "being happily over."

From his rapid examination of these several individuals, Lorraine ultimately turned. with an expression strongly bordering upon however, she immediately desisted, in ordisgust, to remark Arabella. She had der to do the honors of her mother's drawplaced her chair slightly behind the circle, ing room. We feel no inclination to weary and beyond the glate of the lights, and he functed that an emotion of deep pain con offers Hop-Iron and rivets of the best quality, for vances of Sir Frederic. That he did his tracted her fine features at intervals .-silent; but it was not the silence of sullenness. To all the puerile questions which were from time to time addressed to her. calmly remarking: "You are aware, of she answered promptly, and with a smile course, Sir Frederic, that I am utterly withbut Lorraine felt that the heart was sick from which that smile was forced; and, be "Devlish glad of it, Miss Blance," was it from what cause it might, he watched the prompt response, as the gentleman

her narrowly. Could be have detected, in the look or manner of Blanche, one sigh or symptom of reluctance at the sacrifice which she was about to make--could be have seen anything in the bearing of his so called friend, which implied anything more worthy than the quiet triumph of a selfish mature, there is no guessing how that evening would have terminated. As it was he remained passive; the two coarte tables were found as usual, and he found himself once more tele-a tele with Arabella at the

Once or twice. Sir Frederic shouted across the room, from the sofa upon which he "Really, Sir Frederic," said Blance, with was lounging at full length, opposite his with well acted coquetry, "you have quite beautiful betrothed, to know "why the devil they sat gossiping there, instead of pect me to say? I can venture on no degiving them some;" and, with the most meek humility, on each occasion they comphed with the implied request, and poured "Why then, perhaps," laughed Blance, forth a flood of melody which might have berated another Eurydice; but the song, And of course Mrs. Grevile did say whatever it might be, once terminated, the "Yes," only warning Sir Frederic to look conversation was resumed; and one who well into his own heart before he allied had watched them, might have seen the himself to her "penniless girl;" equally, of bosom of Arabella heave, and the tear course, he told her that he had done so, stand in her fine dark eyes, as she spoke and that without Blance he should be misrapidly but impressively, and the gentleerable. The last argument was unanswerman laughed away her asseverations, as if able; so the two matrons exchanged a sisin disbelief. Blanche kept a careful eye upon them; and, as the best method of diterly embrace. Arabella shook hands with her intended brother-in-law, quite unverting the attention of Sir Frederic from couscious how near he had been proposing what she believed to be a very imperiant himself as her own bridegroom; and all dialogue, she played carelessly, and suffered him to win ; a manauvre by which she But desirous as Mrs. Greville herself was succeeded in wholly riveting his attention to see the marriage fairly over, and Blance upon the game, To Lady Dampmore, the definitely disposed of "for better, for worse," quiet firtation, as she termed it, was now she was by no means prepared for the araltogether a matter of indifference; her son dor with which Lady Dampmore, (prompthad secured his prize; he had selected the ed as she declared by her son) hurned forsister he preferred, and the other must ma ry some one; therefore as well Sir Frederic's ward every preparation for the happy union. friend as any other; while Mrs Greville she talked of entrusting her trousseau to a looked upon the extraordinary understantown-milliner; the craft abounded, as she ding which had evidently grown up bedeclared, in Cheltenham, and the future ween her daughter and the rising young
