BLACKWOOD'S MAGAZINE
AND THE
BRITISH QUARTERLY REVIEWS.
Owing to the late revolutions and counter-revolutions
among the nations of Europe, which
have followed each other in such quick succession,
and of which "the end is not yet," the leading peri-
odicals of Great Britain have become invested with a
neglect of interest hitherto unknown. They occur
at a middle ground between the heavy, disjointed,
and necessarily imperfect records of the newspapers,
and the elaborate and ponderous treatises to be found
in the historian at a future date. Whoever reads
these periodicals obtains a correct and connected
account of all the important political events of
the old world, as they occur, and learns the various
conclusions drawn from them by the leading spirits
of the age. The American Publishers therefore
deem it proper to call renewed attention to the
works they publish and the very low prices at which
they are offered to subscribers. The following is
their list, viz:

NOTICE.
I OFFER for sale my Plantation, known as West
Hall, situated on the North side of Newbern
Main Road, one mile and a half from the town of Wil-
mington. Containing 1000 acres, of which about
300 are cleared and now ready for cultivation.
There is upon the plantation a large and convenient
Two Story Dwelling, with a well of excellent wa-
ter, and all necessary outbuildings and fixtures con-
sistent thereto.
I have likewise another tract adjoining the above,
upon the East, containing about 400 acres, of which
30 or 40 are cleared. These lands are well timbered,
and a portion of them of the first quality for agri-
cultural purposes; they derive additional value
from their proximity to town, and their being im-
mediately adjacent to a bold Creek, flowing into the
Cape Fear. The place is well adapted to the cul-
tivation of Orchards and Vineyards, the production
of vegetables, making bricks, &c., and to one who
could devote to his plantation, would be a most profit-
able investment.
For any wishing to purchase, I will give a bargain.
For further particulars, apply to

FOR SALE.
THE VALUABLE PLANTATION known
as Castle Hayne, lying nine miles from
Wilmington, on the North East Branch of
the Cape Fear River, adjacent to the lands of NATL.
HILL. It remains about 1600 acres, 300 or
more of which are ready for the plough, and 300 more
having been once cleared, could be easily made so.
It is bounded by the county road, the river, and
Prince Georges Creek so that the whole tract may
be enclosed by a small quantity of fencing, affording
an excellent range for hogs and cattle. A large
portion of the land has gone with oak and hickory,
and would be very profitable if cleared. There are
windmills on the creek and river, and the Railroad
passes by the plantation, affording every facility for
getting wood and produce to market. It is well
supplied with buildings, suitable for the cultivation of
a farm, and there is no doubt that an industrious and
intelligent planter, could make it one of the most val-
uable places on the river. The terms of sale will be
liberal. For further particulars inquire of Mr. Geo.
Benson, at the Merchants, or the subscriber in
Wilmington. W. E. ANDERSON.
Jan. 5. 124-4w-4t.

NOTICE.
THE Subscriber offers the balance of his stock
of Mercantile Tailors goods, consisting of ready
made Clothing, Gaiters, Gaiters, Vests, Tric-
kings and supple shirts, washable and retail for
one week; if not disposed of at private sale, he will
then offer the above articles at public auction. As
he is determined to dispose of the whole stock in
this he has particularly calls attention to a few
pieces of superfine black French Broad Cloth
twilled and plain, black do. Cassimeres, and Doe
skins, which have been purchased this fall, which
will be offered 20 per cent, less than can be purchased
in the town of Wilmington.
I am under the necessity of saying to all those
indebted to me, by note or book account that further
indulgence can not be granted.
V. R. PEIRSON, Ag't.
Opposite Dr. Bellamy's, a few doors below Mar-
ket street.
