RJR Graduate Joins The U.S.

Air Force

Charles Edward Allen, son of Mr. and Mrs. Hoyt M. Allen Sr., of 5200 Sunrise Terrace, has enlisted in the U.S. Air Force through the Air Force recruiting office here.

Airman Allen joined under the Air Force's Delayed Enlistment Program (DEP), which allows him to accumulate time in the Air Force Reserve until he enters active duty on April 30, 1975.

The program benefits the airman because his future pay increases will be based on the date he entered the Delayed Enlistment Program.

spare without arousing suspicion at home, then that time is given to me. I spend most of my time waiting for his calls hoping he tells me he can see me, but 99% of the time he says he can't.

Please advise me what to do.

Lonely

Dear Lonely,

It sounds as if your lover is a real play-boy. You can be sure

you are not the only one that has heard his great line before. I would advise you to find a single man, unless you want to continue playing the "waiting game". You are playing with fire, get out before you get a third-degree burn.

FDR Advice

When his son, James, asked for dad's advice on speechmaking FDR said: "Be sincere, be brief, be seated!"

The Navy's got Charnissa.

Former Beauty Contest Winner Charnissa Butts, is for real and she's in the Navy.

"I think the Navy has more opportunities for a woman to achieve her goals."

She's right. We give her and any other qualified woman opportunities to build interesting and rewarding careers. In the Navy and afterwards. And she's entitled to all the same benefits a man gets.

That includes equal pay and equal opportunity for advancement.

As Charnissa says: "I love the Navy. For a woman, it's a real opportunity."

Charnissa is for real... and so are we. NAVY
