Police Hunt Gunman

Police are still looking for Willie Goodwin, 49, of 1443 E. 14th Street who is accused of shooting and critically injuring Walter Branson, 45, of 1235 E. 15th Street.

Police reportedly found Branson sitting on the porch of the Launderette on 1441 E. 14th Street, suffering from a gunshot wound in the left side.

While receiving emergency medical aid from Forsyth Ambulance attendants, last Wednesday, Branson told police that he had been shot by Goodwin after an argument over some money that he owed Goodwin.

Branson said he had been standing in front of the

Launderette when Goodwin approached him and demanded his money. Branson said the money had been owed for quite some time.

Branson reportedly told Goodwin that he could not pay. He said that is when Goodwin reached in his back pocket, pulled a hand gun, shot him, and left the scene.

Branson said there were several people standing near the scene but ran when the shot was fired.

A canvass of the area by police for witnesses turned up little. Police reports indicated that all by-standers said they had seen nothing.

The investigation is continuing.
